		I took my 20 month old grandson to Toddler story time this last Wednesday for the first time. Wow, what a great program! Mr. D (Dustin maybe?) was just so much fun and did a wonderful job of keeping a very large group of toddlers engaged and participating for an hour! He read books, lead singing time, parachute play, and much more. A great experience for adults and children. Thank you!	6/27/2025		56 - 65	75234
Anonymous	10	This library offers a wealth of activities and events for all ages! It is incredibly inclusive and diversity and has so many amazing programs. We especially love the weekly story time and the Wednesday summer events for children. It has been such a joy being able to instill the love of learning For my kids by coming to these events and checking out books each week. It's also been nice for me to access e-books on my Kindle and physical books as well as audiobooks on services like Libby and hoopla. We love this library!	7/5/2025		25 - 35	75244
