*A city's comprehensive plan is the road map that establishes the vision and goals for a city's future, and provides the overall foundation for all land use regulation in the city.*

*We'd like to hear from everyone. The more input the City receives from the community the more the plan will reflect the vision and goals of the people who live and work in Farmers Branch.*

## Community Context

Farmers Branch Comprehensive Plan

Click here to start

What is your wish for Farmers Branch in the next 20 years? Do you want to see more jobs or businesses? Are you interested in more ways to get around by walking, biking, or transit? Are there enough housing options where you want to live? What about parks and community events? The City is pleased to announce the start of our comprehensive plan process and we want you to get involved.

A comprehensive plan is a guidebook for the city, looking 20 years into the future. In this role, the Comprehensive Plan serves as a navigational tool, a compass to evaluate

Thank You!
