This agreement consists of (1) these agreement terms and conditions and the signature form and all attachments identified therein, (2) the Product List, (3) the Product Use Rights applicable to Products licensed under this agreement, (4) any Affiliate Enrollment entered into under this agreement, and (5) any order submitted under this agreement.

Please note: Several documents referenced in this agreement but not attached to the signature form may be found at: <http://www.microsoft.com/licensing/contracts> and are incorporated by reference, including the Product List and Product Use Rights. These documents may contain additional terms and conditions for Products licensed under this agreement and may be changed from time to time. 2. *How the Enterprise and Enterprise Subscription program works.*

The Enterprise and Enterprise Subscription Program. The Enterprise and Enterprise Subscription programs establish a Customer's overall licensing framework and the applicable terms and conditions. Under the Enterprise program, Customer may license Products by entering into Enrollments. The Enterprise Subscription program offers Customer the same options as the Enterprise Program, but on a subscription basis, with an optional buy-out to obtain perpetual Licenses.

- a. Enrollments.** The Enterprise program gives Customer and/or its Affiliates the ability to enter into one or more Enrollments to order Products. Subscription Enrollments may be available for some of these Enrollments.
- b. Licenses.** The types of Licenses available are L&SA, Licenses obtained under Software Assurance and Subscription Licenses. These License types as well as additional License Types are defined in the Product List.
- c. How Enrolled Affiliates acquire Licenses.** An Enrolled Affiliate will acquire its Licenses through its chosen Reseller. Orders will be made out to and submitted to the Enrolled Affiliate's Reseller. Microsoft will invoice that Reseller according to the terms in the applicable Enrollment.
- d. Choosing and maintaining a Reseller.** Each Enrolled Affiliate must choose and maintain a Reseller authorized in the Enrolled Affiliate's location.
- e. Pricing.**
 - (i) Establishing Price Levels.** Each Product generally is assigned to a Product pool (e.g., applications, systems, or servers). Each Product pool will be assigned one of four price levels (A, B, C, and D). Enrolled Affiliate's Price Level will be Level D for all Enterprise Products, Enterprise Online Services, Online Services and Additional Products ordered under any Enrollment.
 - (ii) Placing Orders through Reseller.** Orders under an Enrollment will be made to the Reseller. Microsoft will invoice the Reseller according to the terms in the applicable Enrollment. Throughout this agreement the term “price” refers to reference price. The Reseller and the Enrolled Affiliate will determine the Enrolled Affiliate's actual price and payment terms.
- f. Order Requirements.** Order Requirements are outlined in each Enrollment.
- g. Management and Reporting.** Customer and/or Enrolled Affiliate may manage account details (e.g., contacts, orders, Licenses, software downloads) on Microsoft's Volume Licensing Service Center (“VLSC”) web site (or successor site) at: <https://www.microsoft.com/licensing/servicecenter>. Upon the effective date of this agreement and any Enrollments, the contact(s) identified for this purpose will be provided access to this site and may authorize additional users and contacts.

3. *Licenses for Products.*

- a. General.** Enrolled Affiliate will have the number of Licenses ordered for the latest version of a Product, and may use prior versions as permitted in the Product Use Rights, so long as Microsoft receives timely orders from Reseller for all required Licenses for such Products and complies with applicable license terms. The Licenses obtained under an Enrollment are not

related to any order or fulfillment of software media. The ability to use a Product ordered may be affected by minimum hardware or software requirements.

- b. Use by Affiliates.** The Enrolled Affiliate may sublicense the right to use the Products to any Affiliates covered under its Enrollment, but Affiliate recipient of these Licenses may not sublicense these rights and their use must be consistent with the License terms contained in this agreement.
- c. When Licenses become perpetual.** The right to run any Product licensed under an Enrollment is temporary unless and until it becomes perpetual as follows:
 - (i)** A License is temporary until Enrolled Affiliate's Reseller has paid for a License in full and the applicable initial Enrollment or renewal term during which the License was ordered must have expired or been terminated as permitted in this agreement.
 - (ii)** Subscription Licenses are never perpetual. If a buy-out option is available, Enrolled Affiliate may obtain a perpetual License by exercising the buy-out option and paying for the License in full.
 - (iii)** Enrolled Affiliate will have perpetual Licenses to use the Products ordered in the latest version available (or any prior version) as of the date of expiration, termination, or renewal.
 - (iv)** All perpetual Licenses acquired under this agreement remain subject to the terms of this agreement and such terms survive expiration or termination of this agreement or an Enrollment.
- d. Perpetual Licenses through Software Assurance.** Perpetual Licenses received through Software Assurance supersede and replace the underlying perpetual Licenses for which Software Assurance coverage was ordered. In the case of Early Termination, the terms in Section 7 titled "Term and Termination will apply."
- e. License confirmation.** This agreement, the applicable Enrollment, the Enrolled Affiliate's order confirmation, and any documentation evidencing transfers of Licenses, together with proof of payment, will be the Enrolled Affiliate's evidence of all Licenses obtained under its Enrollment.
- f. Reorganizations, consolidations, and privatizations.** If the number of Qualified Devices or Qualified Users covered by an Enrollment changes by more than ten percent as a result of a reorganization, consolidation, or privatization of an Enrolled Affiliate, Microsoft will work with the Enrolled Affiliate in good faith to determine how to accommodate its changed circumstances in the context of this agreement. If an Enrolled Affiliate consolidates with a third party with an existing agreement or enrollment, Microsoft will work with the Enrolled Affiliate in good faith to accommodate its changed circumstances in the context of this agreement.

4. *How to know what Product Use Rights apply.*

- a. Product Use Rights.** The Product Use Rights in effect on the effective date of an Enrollment will apply to Enrolled Affiliate's use of then-current versions of each Product (excluding Online Services). For future versions, the Product Use Rights in effect when those future versions are first released will apply. In both cases, subsequent changes made by Microsoft to the Product Use Rights for a particular version will not apply to Enrolled Affiliate's use of that version, unless Enrolled Affiliate chooses to have such changes apply. The use rights for Online Services and the process for updating them as the Online Services evolve are detailed in the Product Use Rights.
- b. Product Use Rights for earlier versions (downgrade).** If Enrolled Affiliate runs an earlier version of a Product than the version that was current on the Enrollment effective date, the Product Use Rights for the version licensed, not the version being run, will apply. However, if

the earlier version includes components that are not part of the licensed version, any Product Use Rights specific to those components will apply to Enrolled Affiliate's use of those components.

- c. **Reservation of rights.** All rights not expressly granted are reserved.

5. *Making copies of Products and re-imaging rights.*

- a. **General.** Enrolled Affiliate may make as many copies of Products, if applicable, as it needs to distribute them within its organization. Copies must be true and complete (including copyright and trademark notices) from master copies obtained from a Microsoft approved fulfillment source. Enrolled Affiliate may use a third party to make these copies, but Enrolled Affiliate agrees it will be responsible for any third party's actions. Enrolled Affiliate agrees to use reasonable efforts to notify its employees, agents, and any other individuals who use the Products that the Products are licensed from Microsoft and subject to the terms of this agreement.
- b. **Copies for training/evaluation and back-up.** For all Products other than Online Services, Enrolled Affiliate may: (1) use up to 20 complimentary copies of any licensed Products in a dedicated training facility on its premises for purposes of training on that particular Product, (2) use up to 10 complimentary copies of any Products for a 60 day evaluation period, and (3) use one complimentary copy of any licensed Product for back-up or archival purposes for each of its distinct geographic locations. Trials for Online Services may be available if specified in the Product Use Rights.
- c. **Right to re-image.** In certain cases, re-imaging is permitted using the Product media. If the Microsoft Product is licensed (1) from an original equipment manufacturer (OEM), (2) as a full packaged Product through a retail source, or (3) under another Microsoft program, then media provided under this agreement may generally be used to create images for use in place of copies provided through that separate source. This right is conditional upon the following:
 - (i) Separate Licenses must be owned from the source for each Product that is re-imaged.
 - (ii) The Product, language, version, and components of the copies made must be identical to the Product, language, version, and all components of the copies they replace and the number of copies or instances of the re-imaged Product permitted remains the same.
 - (iii) Except for copies of an operating system and copies of Products licensed under another Microsoft program, the Product type (e.g., upgrade or full License) must be identical to the Product type from the separate source.
 - (iv) Enrolled Affiliate must adhere to any Product-specific processes or requirements for re-imaging identified in the Product List.
 - (v) Re-images made under this subsection remain subject to the terms and use rights provided with the License from the separate source.
 - (vi) This subsection does not create or extend any warranty or support obligation.

6. *Transferring and reassigning Licenses.*

- a. **License transfers.** You may transfer fully-paid perpetual Licenses:
 - (i) if you are an agency of the U.S. Government, to another agency of the U.S. Government or to an unaffiliated third party in connection with (i) a privatization of the government agency or of an operating division of an Enrolled Affiliate or one of its government agency affiliates, (ii) a reorganization, or (iii) a consolidation; or

- (ii) if you are an agency of a state or local government to: (a) any other government agency, department, instrumentality, division, unit or other office of your state or local government that is supervised by or is part of you, or which supervises you or of which you are a part, or which is under common supervision with you; (ii) any county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality established by the laws of your state and located within your state's jurisdiction and geographic boundaries; and (iii) any other entity expressly authorized by the laws of your state to purchase under state contracts, or (b) an unaffiliated third party in connection with a privatization of an affiliate of agency as set forth in (a) above or of an operating division of the Enrolled Affiliate or one of its affiliates as set forth in (a) above, a reorganization, or a consolidation.
- b. Customer must notify Microsoft of a transfer of license by completing a transfer notice form, which can be obtained from <http://www.microsoft.com/licensing/contracts> and send the completed form to Microsoft before the license transfer. No License transfer will be valid unless Customer provides to the transferee, and the transferee accepts in writing, the applicable Product Use Rights, use restrictions, limitations of liability (including exclusions and warranty provisions), and the transfer restrictions described in this section. Any license transfer not made in compliance with this section will be void.
- c. **Internal Assignment of Licenses and Software Assurance.** Licenses and Software Assurance must be assigned to a single user or device within the Enterprise. Licenses may be reassigned within the Enterprise as described in the Product Use Rights.

7. Term and termination.

- a. **Term.** The term of this agreement will be 36 months from the Effective date unless terminated by either party as described below. Each Enrollment will have the term provided in that Enrollment.
- b. **Termination without cause.** Either party may terminate this agreement, without cause, upon 60 days written notice. Such termination will merely terminate either party's and its Affiliates' ability to enter into new Enrollments under this agreement. Such termination will not affect any Enrollment or order not otherwise terminated, and any terms of this agreement applicable to any Enrollment or order not otherwise terminated will continue in effect with respect to that Enrollment or order. An Enrolled Affiliate may terminate an Enrollment without liability, penalty or further obligation to make payments if funds to make payments under the Enrollment are not appropriated or allocated for such purpose.
- c. **Mid-term termination for non-appropriation of Funds.** Enrolled Affiliate may terminate this agreement or an Enrollment without liability, penalty or further obligation to make payments if funds to make payments under the agreement or Enrollment are not appropriated or allocated by the Enrolled Affiliate for such purpose.
- d. **Termination for cause.** Either party to an Enrollment may terminate it if the other party materially breaches its obligations under this agreement, including any obligation to submit orders or pay invoices. Except where the breach is by its nature not curable within 30 days, the terminating party must give the other party 30 days' notice and opportunity to cure.

If Microsoft gives such notice to an Enrolled Affiliate, Microsoft will give Customer a copy of that notice as well and Customer agrees to assist in attempting to resolve the breach. If the breach also affects other Enrollments and cannot be resolved between Microsoft and Customer within a reasonable period of time, Microsoft may also terminate this agreement and all other Enrollments under it, unless the basis for termination of the Enrollment is non-appropriation of funds to the Enrolled Affiliate, in which event Microsoft may only terminate the affected Enrollment(s). If an Enrolled Affiliate ceases to be Customer's Affiliate, Customer must promptly notify Microsoft, and Microsoft may terminate its Enrollment.

- e. Early termination.** If (1) an Enrolled Affiliate terminates its Enrollment as a result of a breach by Microsoft, or (2) if Microsoft terminates an Enrollment because the Enrolled Affiliate has ceased to be an Affiliate of Customer, or (3) Enrolled Affiliate terminates an Enrollment for non-appropriation of funds, or (4) Microsoft terminate an Enrollment for non-payment due to non-appropriation of funds, then the Enrolled Affiliate will have the following options:
- (i) It may immediately pay the total remaining amount due, including all installments, in which case, the Enrolled Affiliate will have perpetual rights for all Licenses it has ordered; or
 - (ii) It may pay only amounts due as of the termination date, in which case the Enrolled Affiliate will have perpetual Licenses for:
 - 1) all copies of Products (including the latest version of Products ordered under SA coverage in the current term) for which payment has been made in full, and
 - 2) the number of copies of Products it has ordered (including the latest version of Products ordered under Software Assurance coverage in current term) that is proportional to the total of installment payments paid versus total amounts due (paid and payable) if the early termination had not occurred.
 - (iii) In the case of Early Termination under Subscription Enrollments, Enrolled Affiliate will have the following options:
 - 1) For eligible products Enrolled Affiliate may obtain perpetual Licenses as described in the section titled "Buy-out option," provided that Microsoft receives the buy-out order for those Licenses within 60 days after Enrolled Affiliate provides notice of termination.
 - 2) Where not exercising buy-out option, in the event of breach by Microsoft, Microsoft will issue Reseller a credit for any amount paid in advance that would apply after the date of termination.
- Nothing in this section shall affect perpetual License rights acquired either in a separate agreement or in a prior term of the terminated Enrollment.
- f. Effect of termination or expiration.** When an Enrollment expires or is terminated,
- (i) Enrolled Affiliate must order Licenses for all copies of Products it has run for which it has not previously submitted an order. Any and all unpaid payments or any order of any kind, including subscription services, remain due and payable. Except as provided in the subsection titled "Early termination," all unpaid payments for Licenses immediately become due and payable.
 - (ii) Enrolled Affiliate's right to Software Assurance benefits under this agreement ends if it does not renew Software Assurance.
- g. Modification or termination of an Online Service for regulatory reasons.** Microsoft may modify or terminate an Online Service where there is any current or future government requirement or obligation that: (1) subjects Microsoft to any regulation or requirement not generally applicable to businesses operating there; (2) presents a hardship for Microsoft to continue operating the Online Service without modification; and/or (3) causes Microsoft to believe these terms or the Online Service may be in conflict with any such requirement or obligation. For example, Microsoft may modify or terminate an Online Service in connection with a government requirement that would cause Microsoft to be regulated as a telecommunications provider.
- h. Program updates.** Microsoft may make a change to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments.

8. *Restrictions on use.*

Enrolled Affiliate must not:

- a. separate and use the components of a Product on two or more computers, upgrade or downgrade components at different times, or transfer components separately, except as provided in the Product Use Rights;
- b. reverse engineer, decompile or disassemble any Product or Fix, except where applicable law permits it despite this limitation; or
- c. distribute, sublicense, rent, lease, lend, or host any Product or Fix except as permitted in the Product Use Rights or in a separate written agreement.

9. *Non-Microsoft software or technology.*

- a. Enrolled Affiliate is solely responsible for any non-Microsoft software or technology that it installs or uses with the Products or Fixes. Microsoft is not a party to and is not bound by any terms governing Enrolled Affiliate's use of non-Microsoft software or technology. Without limiting the foregoing, non-Microsoft software or scripts linked to or referenced from any Product website, are licensed to Enrolled Affiliate under the open source licenses used by the third parties that own such code, not by Microsoft.
- b. If Enrolled Affiliate installs or uses any non-Microsoft software or technology with the Products or Fixes, it directs and controls the installation in and use of such software or technology in the Products or Fixes, through its actions (e.g., through Enrolled Affiliate's use of application programming interfaces and other technical means that are part of the Online Services). Microsoft will not run or make any copies of such non-Microsoft software or technology outside of its relationship with Enrolled Affiliate.
- c. If Enrolled Affiliate installs or uses any non-Microsoft software or technology with the Products or Fix, it may not do so in any way that would subject Microsoft's intellectual property or technology to obligations beyond those included in the agreement.

10. *Confidentiality.*

To the extent permitted by applicable law, the terms and conditions of this agreement are confidential. Neither party will disclose such terms and conditions, or the substance of any discussions that led to them, to any third party other than Affiliates or agents, or to designated or prospective resellers who: (1) have a need to know such information in order to assist in carrying out this agreement; and (2) have been instructed that all such information is to be handled in strict confidence.

For the avoidance of doubt, the parties acknowledge that this Confidentiality provision recognizes that when there is a business need to do so, Microsoft and Customer may need to share/exchange their respective Confidential Information with each other to develop a more meaningful business relationship. This section provides Microsoft and Customer with a well-balanced, commercially reasonable and comprehensive set of confidentiality terms that enable both parties to share/exchange a wide range of Confidential Information with each other knowing with confidence that significant confidentiality protections are in place. The confidentiality terms denoted below do not govern Microsoft's handling of Customer Data. In all instances under this Agreement, Microsoft's handling of Customer Data shall be governed as described under various other provisions of this Agreement and by Microsoft's data security policy.

- a. **What is included.** "Confidential Information" is non-public information, know-how and Trade Secrets in any form that are designated as "confidential" or a reasonable person knows or reasonably should understand to be confidential. It includes non-public information regarding either party's products or customers, marketing and promotions, or the negotiated terms of Microsoft agreements.

b. What is not included. The following types of information, however marked, are not Confidential Information. Information that:

- (i) is, or becomes, publicly available without a breach of this agreement;
- (ii) was lawfully known to the receiver of the information without an obligation to keep it confidential;
- (iii) is received from another source who can disclose it lawfully and without an obligation to keep it confidential;
- (iv) is independently developed; or
- (v) is a comment or suggestion one party volunteers about the other's business, products or services.

c. Treatment of Confidential Information.

(i) **In general.** Subject to the other terms of this agreement, each party agrees:

- 1) it will not disclose the other's Confidential Information to third parties; and
- 2) it will use and disclose the other's Confidential Information only for purposes of the parties' business relationship with each other.

(ii) **Security precautions.** Subject to the other terms of this agreement, each party agrees:

- 1) to take reasonable steps to protect the other's Confidential Information -- these steps must be at least as protective as those the party takes to protect its own Confidential Information;
- 2) to notify the other promptly upon discovery of any unauthorized use or disclosure of Confidential Information; and
- 3) to cooperate with the other to help regain control of the Confidential Information and prevent further unauthorized use or disclosure of it.

(iii) **Sharing Confidential Information with Affiliates and representatives.**

- 1) A "Representative" is an employee, contractor, advisor, or consultant of one of the parties or of one of the parties' Affiliates.
- 2) Each party may disclose the other's confidential information to its Representatives (who may then disclose that Confidential Information to other of that party's Representatives) only if those Representatives have a need to know about it for purposes of the parties' business relationship with each other. Before doing so, each party must:
 - A. ensure that Affiliates and Representatives are required to protect the Confidential Information on terms consistent with this agreement; and
 - B. accept responsibility for each Representative's use of Confidential Information.
- 3) Neither party is required to restrict work assignments of Representatives who have had access to Confidential Information. Neither party can control the incoming information the other will disclose to it in the course of working together, or what that party's Representatives will remember, even without notes or other aids. Each party agrees that use of information in Representatives' unaided memories in the development or deployment of the parties' respective products or services does not create liability under this agreement or trade secret law, and each party agrees to limit what it discloses to the other accordingly.

(iv) **Disclosing Confidential Information if required to by law.** Each party may disclose the other's Confidential Information if required to comply with a court order or other government demand that has the force of law. Before doing so, each party must seek

the highest level of protection available and, when possible, give the other enough prior notice to provide a reasonable chance to seek a protective order.

- d. Length of Confidential Information obligations.** Except as permitted above, neither party will use or disclose the other's Confidential Information for five years after it is received. The five-year time period does not apply if applicable law requires a longer period or the Product Use Rights provide a more specific requirement.

11. Warranties.

- a. Limited warranty.** Microsoft warrants that:

- (i) Online Services will perform in accordance with the applicable Service Level Agreement;
- (ii) Products other than Online Services will perform substantially as described in the applicable Microsoft user documentation; and

- b. Limited warranty term.** The limited warranty for:

- (i) Online Services is for the duration of Enrolled Affiliate's use of the Online Service, subject to the notice requirements in the applicable Service Level Agreement;
- (ii) Products other than Online Services is one year from the date Enrolled Affiliate first uses the Product; and

- c. Limited warranty exclusions.** This limited warranty is subject to the following limitations:

- (i) any implied warranties, guarantees or conditions not able to be disclaimed as a matter of law last for one year from the start of the limited warranty;
- (ii) the limited warranty does not cover problems caused by accident, abuse or use in a manner inconsistent with this agreement or the Product Use Rights, or resulting from events beyond Microsoft's reasonable control;
- (iii) the limited warranty does not apply to components of Products that Enrolled Affiliate is permitted to redistribute;
- (iv) the limited warranty does not apply to free, trial, pre-release, or beta products; and
- (v) the limited warranty does not apply to problems caused by the failure to meet minimum system requirements.

- d. Remedies for breach of limited warranty.** If Microsoft fails to meet any of the above limited warranties and Enrolled Affiliate notifies Microsoft within the warranty term, then Microsoft will:

- (i) for Online Services, provide the remedies identified in the Service Level Agreement for the affected Online Service;
- (ii) for Products other than Online Services, at its option either (1) return the price paid or (2) repair or replace the Product; and

These are Enrolled Affiliate's only remedies for breach of the limited warranty, unless other remedies are required to be provided under applicable law.

- e. DISCLAIMER OF OTHER WARRANTIES. OTHER THAN THIS LIMITED WARRANTY, MICROSOFT PROVIDES NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS. MICROSOFT DISCLAIMS ANY IMPLIED REPRESENTATIONS, WARRANTIES OR CONDITIONS, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, TITLE OR NON-INFRINGEMENT. THESE DISCLAIMERS WILL APPLY UNLESS APPLICABLE LAW DOES NOT PERMIT THEM.**

12. ***Defense of infringement, misappropriation, and third party claims.***

- a. **Microsoft's agreement to protect.** Microsoft will defend Enrolled Affiliate against any claims made by an unaffiliated third party that any Product or Fix that is made available by Microsoft for a fee infringes that party's patent, copyright, or trademark or makes unlawful use of its Trade Secret. Microsoft will also pay the amount of any resulting adverse final judgment (or settlement to which Microsoft consents). This section provides Enrolled Affiliate's exclusive remedy for these claims.
- b. **Limitations on defense obligation.** Microsoft's obligations will not apply to the extent that the claim or award is based on:
 - (i) Customer Data, non-Microsoft software, modifications Enrolled Affiliate makes to, or any specifications or materials Enrolled Affiliate provides or makes available for, a Product or Fix;
 - (ii) Enrolled Affiliate's combination of the Product or Fix with a non-Microsoft product, data or business process; or damages based on the use of a non-Microsoft product, data or business process;
 - (iii) Enrolled Affiliate's use of either Microsoft Trademarks or the use or redistribution of a Product or Fix in violation of this agreement or any agreement incorporating its terms or;
 - (iv) Enrolled Affiliate's use of a Product or Fix after Microsoft identifies Enrolled Affiliate to discontinue that use due to a third party claim.

To the extent permitted by applicable law, Enrolled Affiliate will be responsible Microsoft for any costs or damages that result from any of the above actions.

- c. **Enrolled Affiliate's agreement to protect.** To the extent permitted by applicable law, Enrolled Affiliate will defend Microsoft and its Affiliates against any claims made by an unaffiliated third party that:
 - (i) any Customer Data or non-Microsoft software Microsoft hosts on Customer's behalf infringes the third party's patent, copyright, or trademark or makes unlawful use of its Trade Secret; or
 - (ii) Arises from violation of the Acceptable use Policy, which is described in the Product Use Rights.

Customer will be responsible for the amount of any resulting adverse final judgment (or settlement to which it consents). This Section provides Microsoft's exclusive remedy for these claims.

- d. **Rights and remedies in case of possible infringement or misappropriation.**
 - (i) **Microsoft's offerings.** If Microsoft reasonably believes that a Product or Fix may infringe or misappropriate a third-party's intellectual property rights, Microsoft will seek to: (1) procure for Enrolled Affiliate the right to continue to use the Product or Fix; or (2) modify or replace it with a functional equivalent to make it non-infringing and notify Enrolled Affiliate to discontinue use of the prior version, which Enrolled Affiliate must do immediately. If the foregoing options are not commercially reasonable for Microsoft, or if required by a valid judicial or government order, Microsoft may terminate Enrolled Affiliate's license or access rights in the Product or Fix. In such a case, Microsoft will provide Enrolled Affiliate with notice and refund any amounts Enrolled Affiliate has paid for those rights to the Product or Fix (or for Online Services, any amount Enrolled Affiliate has paid in advance for unused Online Services).
 - (ii) **Customer Data or use of non-Microsoft software with Online Services.** If an unaffiliated third party asserts that Customer Data or non-Microsoft software or technology used by Enrolled Affiliate the Online Services violates their intellectual property rights, Microsoft may ask Customer to remove the allegedly infringing item. If

Enrolled Affiliate fails to do so within a reasonable period of time, Microsoft may suspend or terminate the Online Service to which the Customer Data or non-Microsoft software relates.

- e. **Obligations of protected party.** Enrolled Affiliate must notify Microsoft promptly in writing of a claim subject to the Subsection titled "Microsoft's agreement to protect" and Microsoft must notify Enrolled Affiliate promptly in writing of a claim subject to the Subsection titled "Customer's agreement to protect." The party invoking its right to protection must (1) give the other party sole control over the defense or settlement; and (2) provide reasonable assistance in defending the claim. The party providing the protection will reimburse the other party for reasonable out of pocket expenses that it incurs in providing assistance.

13. *Limitation of liability.*
