

DECEMBER AT THE LIBRARY!

The Manske Library was full of activity in December! We hosted 339 patrons for Santa and Cookies, and Teen Librarian, Taylor Covington, kept teens busy while on winter break with gaming and art activities!

UPDATES!

- Our adult and teen activity kits have expanded! All of our adult and teen kits are now featured in a binder at the circulation desk for patrons to browse and select from! Find bird watching, sewing, 3-D printing, memory care, and much, much more. Childrens kits are browsable from a binder in the Children's section of the library.
- The library now offers a Lucky Day collection of fiction and non-fiction best sellers on the first floor near the public computers. These are the hottest titles that are not reservable or renewable. Checkout period is three weeks.
