Should the Contractor fail or refuse to seek a clarification of such conflicting

or inconsistent requirements or provisions prior to any work on that component of the services, the Contractor shall be solely responsible for the costs and expenses - including additional time - necessary to cure, repair and/or correct that component of the services.

Additionally, any materials provided to Contractor by City shall not be released to any third party without the consent of City and shall be returned intact to City upon termination or completion of this Agreement or if instructed to do so by City. In the event City delivers to Contractor information that it has expressly marked "Confidential" or has notified Contractor is confidential or is the proprietary information of a third-party, Contractor agrees it shall not disclose to anyone directly or indirectly during the term of this Agreement or at any time thereafter, any such information, nor shall it use any such information for any purpose other than in connection with Contractor's performance of the services under this Agreement. (a) Payment Terms. City agrees to pay Contractor for all services authorized in writing and properly performed by Contractor in conformance with the Contract Documents. Unless otherwise agreed by the parties, all payments to Contractor by City shall be based on detailed monthly invoices submitted by Contractor for work performed and accepted by City, less any previous payments. Payment will be due within 30 days of the City's receipt and acceptance of an approved invoice. Notwithstanding the foregoing, City reserves the right to delay, without penalty, any payment to Contractor when, in the opinion of City, Contractor has not made satisfactory progress on any component of the services described in the Scope of Services
