Dear Mrs. Vas,

On behalf of the entire Farmers Branch City Council, I want to thank you and your staff for the generous donation of \$1,500 to the Farmers Branch Police Department. Walmart continues to be a good community partner by showing support for our police department's efforts to make Farmers Branch a safer community.

Your donation will be utilized by our Police Department's Youth Division in furtherance of positive youth programs that engage the youth in our community in a positive manner. Additionally, some of the funds will be used to assist the combined North Texas Metro S.W.A.T. Team with training and equipment needs.

Once again, the Council and I thank you for your donation and continued support of the City of Farmers Branch.

Sincerely,

Bill Glancy  
Mayor
