TO: Mayor and City Council

FROM: Tom Higgs, Director of Fleet & Facilities

DATE: June 6, 2023

SUBJECT: Purchase of One New Stryker Power Pro 2 COT System

The FY2022-23 Fixed Asset Fund for vehicles and equipment includes \$0 for the purchase of one new Stryker Power Pro 2 COT System for new ambulance Fire Department. This purchase supports Critical Business Outcome – Plan for, build, and maintain high quality public assets.

The City of Farmers Branch requested a quotation from Stryker the OEM Manufacturer. City Administration evaluated the quotation as to meeting specifications and desire to award the purchase of the new Power Pro 2 COT System for the new Ambulance to Stryker.

The FY2022-23 budget amount for the equipment is \$0. The quotations for new Power Pro 2 COT System for the new Ambulance came in \$67,645.30. The balance of \$67,645.30 is coming from the mid-year approved budget fleet replacement adjustment.

The new Power Pro 2 COT System is for the new Ambulance going into Front-Line service. The Stryker Power Pro 2 COT system has a manufacturer's recommended replacement service life of 10 years. This is in alignment with the newly updated Fire Rescue Ambulance fleet replacement schedule.
