# UPDATES

## **CUDDLY**

Animal Services has teamed up with CUDDLY for more adoptable animal outreach and donations.

---

## **Microchipping Events**

Upcoming dates are being discussed for more FREE microchipping events at St. Andrews Episcopal Church in Farmers Branch for 2026.

---

## **11Max**

11Max is partnering with Animal Services for more local offsite events once open to increase exposure of adoptable pets to families and drive more adoptions.

---

## **Outreach**

The department will be moving towards more community outreach, including door to door visits to educate on local ordinances and resources to access affordable vet care.

---

## **Revamped "Trap, Neuter, Release Program"**

---

Best Friends Animal Society has gifted the department 20 new humane traps for the relaunch of our "Trap, Neuter, Release" program with Animal Control to spay/neuter feral cat colonies. Outreach with Operation Kindness has already taken place through November and will continue into 2026. Residents are able to rent a trap for 1 week free of charge to participate!
