City of Farmers Branch
DELIVERED ELECTRONICALLY

Dear Farmers Branch City Council,

Mary Immaculate Catholic Church, established in 1956 in Farmers Branch, humbly seeks your approval permitting us to host our 11th Annual Parish Fall Festival on the evening of October 4th and throughout the day and evening of October 5th, 2013.

The Parish Fall Festival provides our church an opportunity to come together and offer food, rides, entertainment and fellowship for people of all ages, races, creeds and socioeconomic backgrounds, namely it reaches out to members of the larger Farmers Branch community.

Last year, you all graciously and unanimously approved our request to host the Fall Festival and the event was a huge success. Thank you for your confidence in our ability to manage the event without a lot of neighborhood backlash. We managed to keep the volume of the outside performances to a decent and acceptable level.

Once again, I am asking that you please grant permission for us to continue offering our Festival with an outside PA system for announcements, music and entertainment.

If you have any questions, or need further clarification, please feel free to contact me.

Thank you for your consideration in this matter.

Sincerely,

Rev. Michael D. Forge
Pastor
