BRANCH**

# **Camelot Landfill Gas Collection System Bid Award**

---

**Advance One Development, LLC**

# Background

- City received approval from the Texas Commission on Environmental Quality approving the permit amendment for Camelot Landfill in August 2017
- The additional airspace added to the permit exceeded 2.5 million megagrams (2.5 million cubic meters by volume) capacity, which triggered additional gas collection requirements
- Past installations were voluntary but tied to remedial efforts
- This installation and most all future gas collection project will be regulatory requirements

# Bid Timeline and Award Recommendation

- Bid was distributed to 4 companies on April 3, 2019 and advertised on April 7, 2019 and April 11, 2019
- Mandatory Pre-Bid meeting was held on April 24, 2019
- 3 bids were received on April 30, 2019
- Lowest bid meeting specifications was Advance One Development, LLC in the amount of \$962,828
- Recommend awarding bid to Advance One Development, LLC

A decorative graphic on the left side of the slide, consisting of several stylized, overlapping leaf shapes in a medium blue color, arranged in a branch-like pattern. The background is a solid dark blue, with a light green horizontal bar at the top and bottom.
