Dear Jan,

On behalf of the City Council, it is my pleasure to thank you and the Friends of the Historical Park for funding the restoration of the original church bell and replacing it in the Old Church at the Historical Park.

I appreciate the hard work and dedication of the Friends in fund raising for the Historical Park and I know the rest of the City Council shares my appreciation.

We look forward to working with you in the future as we help to make Farmers Branch a better place.

Thank you,

Bob Phelps,
Mayor
