Dear Board Members,

I live at 1 Lost Valley Drive in Farmers Branch, Texas which is adjacent to 3124 Brookhollow Drive. I have been a neighbor to John and Joanne Mix and now Steve and Sharon Montesana since moving to Farmers Branch. Both families have been hospitable neighbors, friendly, and never a nuisance. I am grateful for the improvements they are making to their property and have no issue with their plan to reinstall a 10' chain link fence around their sport court.

Sincerely yours,

Ed Jones
