# Bid Award: Ashlar Contracting

---

Marsh Lane Sidewalk Expansion

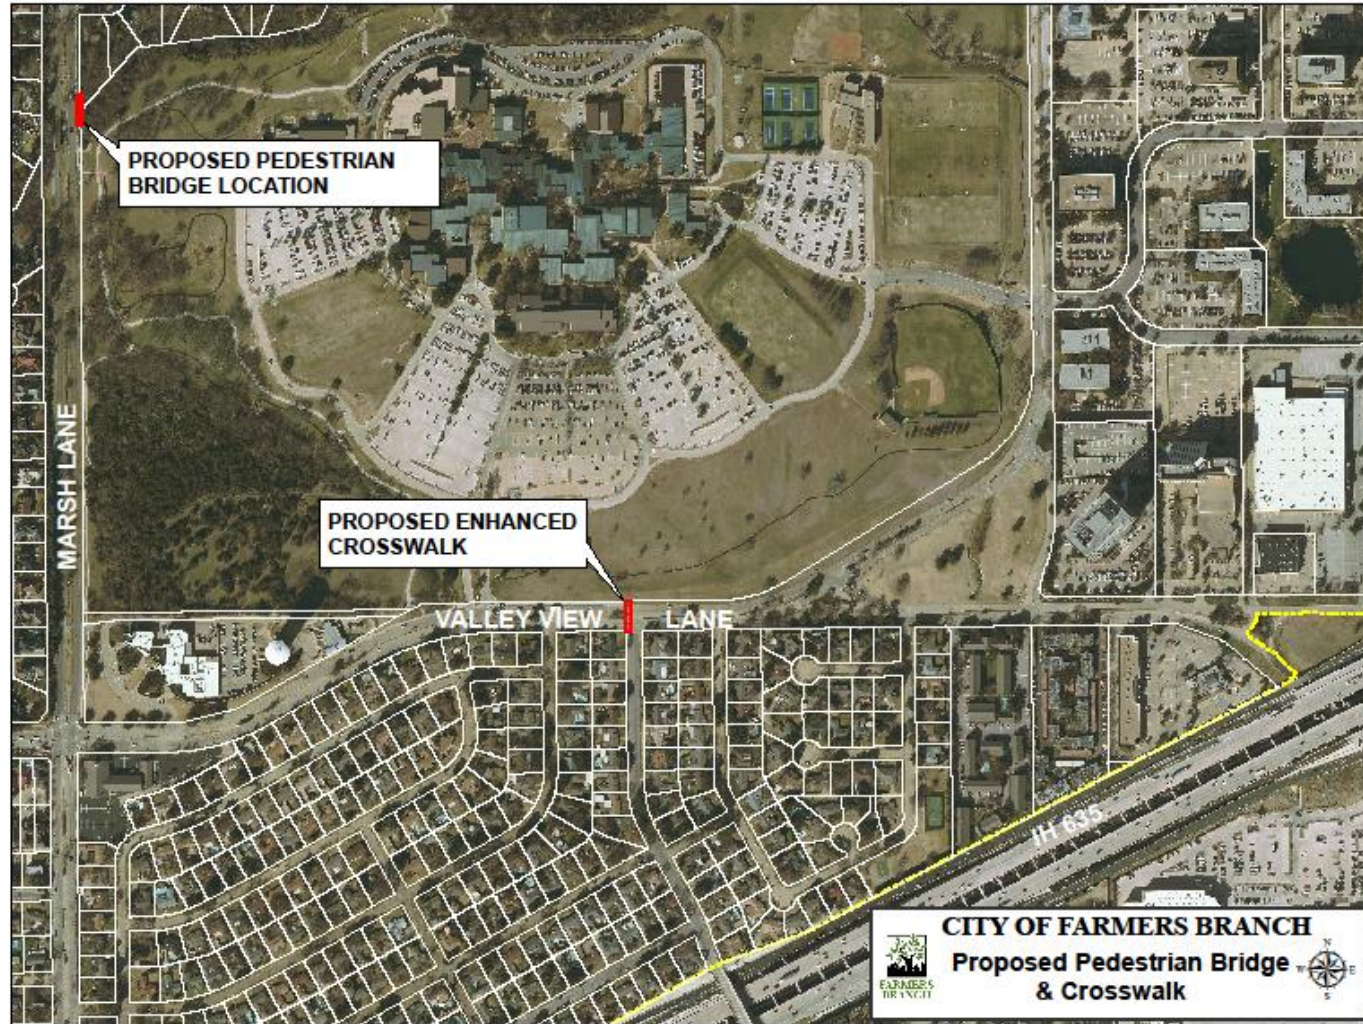

# Background

- City adopted a Citywide Trail Master Plan in 2015
- Citywide Master Plan is a guidance document that makes recommendations for trails and trail connections
- The connection is identified in the Citywide Trail Master Plan

# Project Funding

- Project funding is from three sources:
  - City
  - County
  - TXDOT
- In September 2015, Council approved a Local Project Advance Funding Agreement with TXDOT to provide partial funding for the project
- July 2018, Council approved a Project Specific Agreement for funding of the Marsh Lane Bridge sidewalk expansion and Brookhaven Trail East Project
- Tonight Council approved an amendment to the Project Specific Agreement to increase the funding from Dallas County
- City funds are bond and non-bond CIP

# Project Location Map

# Bid Award

- December 5, 2018 – 4 bids received and opened
  - All bids met specifications
- Lowest qualified bidder: Ashlar Contracting Company
  - Specialize in bridge construction
  - Reference checks were good
- TXDOT has reviewed and approved the bid and concurs with this recommendation
- Bid amount: \$613,333.00

# Total Project Cost

- Design: \$170,000
- Construction: \$613,333
- Materials testing: estimated at \$5,000
- Estimated total cost of project: \$780,000 to \$800,000
  
- Should City opt not go award contract and forego the project, must repay TXDOT \$170,000 for design
