

Ordinance	Year	Primary Purpose	Committee Name	Major Changes	Impact/Notes
3567	2019	Created the committee	Public Art and Culture Committee	Established Division 9A; created committee structure; defined membership, terms, vacancies, quorum, meetings, sunset review, and authority; added advisory role and public art policy references.	This ordinance formally established the committee and its operational framework.
3638	2020	Renamed the committee	Arts and Culture Committee	Changed the committee name throughout the Code of Ordinances from 'Public Art and Culture Committee' to 'Arts and Culture Committee'; continued existence through June 30, 2025.	No major structural or authority changes; primarily a naming/branding update.
3692	2021	Amended purpose and authority	Arts and Culture Committee	Revised Section 2-257 regarding purpose and authority; removed detailed references to selection, acquisition, location, disposition, and Public Art Policy administration; simplified advisory role language.	Shifted the committee toward a broader advisory/program-development role rather than direct policy administration.
