### **Article III Economic Development Incentive**

3.1 Payment. Subject to Contractor’s and Property Owner’s continued satisfaction of the terms and conditions of this Agreement and the obligation of Property Owner to repay the Annual Incentives pursuant to Section 5.2 hereof, City agrees to provide the Annual Incentives to Property Owner to be paid not later than the thirtieth (30<sup>th</sup>) day after City receipt of the applicable Payment Request following April 1<sup>st</sup> of each calendar year, beginning April 1<sup>st</sup> of the calendar year immediately following the Commencement Date, provided City has timely received the ad valorem taxes assessed against the Land and the New Residence in full for the respective tax year. Property Owner shall submit a Payment Request to City on or before April 1<sup>st</sup> of each calendar year for the applicable Annual Incentive. For example, assume for illustration purposes only that a Project was approved by City in 2021 making 2021 the Base Year. Further assume that (i) City taxes assessed and paid for the Residence (improvements excluding the Land) for 2021 was \$1,000 and (ii) the Approved Project was completed June 1, 2022, then the Commencement Date would be June 1, 2022. Further assume that City taxes assessed and paid for tax year 2023 is \$2,000. Then the first Annual Incentive would be for the difference in City taxes assessed on the New Residence for tax year 2023 in the amount of \$2,000 and the amount of City taxes assessed for the Base Year (2021) of \$1,000 resulting in an Annual Incentive of \$1,000, which would be paid not later than the thirtieth (30) day after City receipt of the applicable Payment Request following April 1, 2025, provided Property Owner submitted a Payment Request on or before April 1, 2025, which included a tax receipt showing that the ad valorem taxes assessed against the Land and the New Residence for tax year 2024 have been paid in full.

3.2 Current Revenue. The Annual Incentives made hereunder shall be paid solely from lawfully available funds that have been appropriated by City. Under no circumstances shall City’s obligations hereunder be deemed to create any debt within the meaning of any constitutional or statutory provision. None of City’s obligations under this Agreement shall be pledged or otherwise encumbered in favor of any commercial lender and/or similar financial institution or other party.

## **Resolution No. 2025-105**

### **Exhibit "A"**

#### **Article IV Incentive Conditions**

City's obligation to pay the Annual Incentives shall be conditioned upon Contractor's and Property Owner's continued compliance with and satisfaction of the terms and conditions of this Agreement and each of the conditions set forth in this Article.

4.1 Inspections. Contractor and, upon assignment of this Agreement, Property Owner, agree to submit to periodic inspections of the Approved Project by City during the period beginning with the date of Commencement of Construction and ending on date of Completion of Construction.

- (j) The failure to convey title to the Land and New Residence to Property Owner within the time provided in Section 4.3, without any requirement for notice from City to Contractor;
