	10	Cinema Club, is just wonderful and I love the variety of films and would sincerely like for the types of films not be restricted.	8/13/2025		46 - 55	75007
	10	The library always seems to be running smoothly and efficiently. The atmosphere in all areas is great. The programming is just amazing and provides interest for the entire range diverse citizens of Farmers Branch. I had qualms when the operations were privatized but I'm glad to see that my fears were unfounded. I love libraries and this is a fantastic library.	8/29/2025		68-75	75244
