Current language reads as follows:</p> <p>(3) Prepare and submit to the Council as of the end of the fiscal year a complete report on the finances and administrative activities of the City for the preceding year. The report shall be prepared on a basis prescribed by generally accepted accounting principles as applied to municipal governments. The report shall be submitted to the Council within 120 days of the end of the fiscal year. An extension of this deadline may be granted by the Council at its discretion.</p>
