State of Texas Event Trust Fund (ETF) local contribution

What is the local contribution?

- The Event Trust Fund application includes a local contribution from the event location municipality
- The amount is determined by the event location based on attendance and revenue

- The contribution can be reimbursed back to the city from the event organizer, or used for specific needs during and before the event. The hotel occupancy tax fund is the source of all funding. The hotel occupancy tax fund is daily hotel room revenue, not
