Re: Webb Chapel Road
Water and Wastewater Improvements Phase 2
Bid No. 26-19

Mr. Hahn:

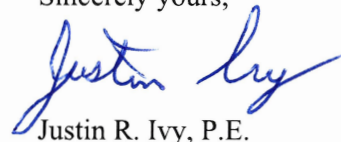

We have checked the bids received at 2:00 p.m., Tuesday, May 12, 2026, for the Webb Chapel Road Water and Wastewater Improvements Phase 2 project. Seven (7) contractors submitted bids on this project, and we are enclosing one (1) copy of the Bid Summary and itemized Bid Tabulation for the City's reference and files.

Dallas Underground, LLC. of Dallas, Texas submitted the lowest bid in the amount of \$2,695,813.00. We have checked the references that Dallas Underground provided and found no irregularities with the Contractor. We also reviewed the Contractor's statement of qualifications and equipment list provided with the bidding documents. It appears that Dallas Underground has successfully completed similar construction type projects. The contractor's references for municipalities, such as in the City of Weatherford and City of Haltom City, provided overall positive feedback on the projects listed and completed.

Based on our review of the low bidder's references, statement of qualifications and performance record provided by the references, it is our opinion that Dallas Underground has the equipment and experience to properly pursue this project. We recommend the City accept the bid from Dallas Underground, LLC and award them a contract in the total amount bid of \$2,695,813.00 for the construction of the Webb Chapel Road Water and Wastewater Improvements Phase 2 project.

We are available to discuss this project and our recommendation further at your convenience.

Sincerely yours,

Justin R. Ivy, P.E.
