Dear Mr. Jaynes,

I want to thank you and Waste Management for once again sponsoring Liberty Fest. Waste Management has been a great sanitation partner for the City of Farmers Branch. Your ongoing support of Liberty Fest also makes you a great partner for our signature event and one of our largest financial supporters.

Your support of Liberty Fest helps us produce this great event that is enjoyed by thousands from the region. Thank you for the great service you provide and for your great financial support.

Sincerely,
