Section 2.01. Payment of the Certificates.

(a) Pursuant to the authority granted by the Texas Constitution and laws of the State of Texas, there shall be levied and there is hereby levied for the current year and for each succeeding year thereafter while any of the Certificates or any interest thereon is outstanding and unpaid, an ad valorem tax on each one hundred dollars valuation of taxable property within the City, at a rate sufficient, within the limit prescribed by law, to pay the debt service requirements of the Certificates, being (i) the interest on the Certificates, and (ii) a sinking fund for their redemption at maturity or a sinking fund of two percent per annum (whichever amount is the

greater), when due and payable, full allowance being made for delinquencies and costs of collection.

(b) The ad valorem tax thus levied shall be assessed and collected each year against all property appearing on the tax rolls of the City most recently approved in accordance with law, and the money thus collected shall be deposited as collected to the Interest and Sinking Fund.

(c) Said ad valorem tax, the collections therefrom, and all amounts on deposit in or required hereby to be deposited to the Interest and Sinking Fund are hereby pledged and committed irrevocably to the payment of the principal of and interest on the Certificates when and as due and payable in accordance with their terms and this Ordinance.

(d) The amount of taxes to be provided annually for the payment of principal of and interest on the Certificates shall be determined and accomplished in the following manner:

(i) The City's annual budget shall reflect (i) the amount of debt service requirements to become due on the Certificates in the next succeeding Fiscal Year of the City and (ii) the amount on deposit in the Interest and Sinking Fund, as of the date such budget is prepared (after giving effect to any payments required to be made during the remainder of the then current Fiscal Year), and (iii) the amount of Surplus Revenues estimated and budgeted to be available for the payment of such debt service requirements on the Certificates during the next succeeding Fiscal Year.

Thereafter, neither the City, the Paying Agent/Registrar, nor any other person shall be liable or responsible to any Owners of such Certificates for any further payment of such unclaimed moneys or on account of any such Certificates, subject to Title 6 of the Texas Property Code.

Section 3.04. Execution and Registration of Certificates.

(a) The Certificates shall be executed on behalf of the City by the Mayor and the City Secretary, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Certificates shall have the same effect as if each of the Certificates had been signed manually and in person by each of said officers, and such facsimile seal on the Certificates shall have the same effect as if the official seal of the City had been manually impressed upon each of the Certificates.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Certificates ceases to be such officer before the authentication of such Certificates or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Certificate shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly

authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Certificates. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Certificate delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which Certificate shall be evidence that the Certificate has been duly approved by the Attorney General of the State of Texas, that it is a valid and binding obligation of the City, and that it has been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On the Closing Date, one initial Certificate (the "Initial Certificate") representing the entire principal amount of all Certificates, payable in stated installments to the initial purchaser, or its designee, executed by the Mayor and City Secretary of the City, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the initial purchaser or its designee. Upon payment for the Initial Certificate, the Paying Agent/Registrar shall cancel the Initial Certificate and deliver the Purchaser one registered definitive Certificate for each year of maturity of the Certificates in the aggregate principal amount of all Certificates for such maturity, registered in the name of the Purchaser. In lieu of definitive Certificates, the Purchase may elect to hold the Initial Certificate.

Section 3.05. Ownership.

(a) The City, the Paying Agent/Registrar, and any other person may treat the person in whose name any Certificate is registered as the absolute owner of such Certificate for the purpose of making and receiving payment as herein provided (except interest shall be paid to the person in whose name such Certificate is registered on the Record Date or Special Record Date, as applicable), and for all other purposes, whether or not such Certificate is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Certificate shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Certificate to the extent of the sums paid.

Section 3.06. Registration, Transfer, and Exchange.

(a) So long as any Certificates remain outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Certificates in accordance with this Ordinance.

(b) The ownership of a Certificate may be transferred only upon the presentation and surrender of the Certificate at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Certificate shall be effective until entered in the Register.

(c) The Certificates shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Certificate or Certificates of the same maturity and interest rate and in a denomination or denominations of any integral multiple of \$5,000, and in an aggregate principal amount equal to the unpaid principal amount of the Certificates presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Certificates exchanged for other Certificates in accordance with this Section.

(d) Each exchange Certificate delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Certificate or Certificates in lieu of which such exchange Certificate is delivered.

(e) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different denomination of any of the Certificates. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Certificate.

(f) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Certificate called for redemption, in whole or in part, within 45 calendar days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Certificate.

Section 3.07. Cancellation.

All Certificates paid or redeemed before scheduled maturity in accordance with this Ordinance, and all Certificates in lieu of which exchange Certificates or replacement Certificates are authenticated and delivered in accordance with this Ordinance, shall be canceled and proper records made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall then return such canceled Certificates to the City or may in accordance with law dispose of such cancelled Certificates.

Section 3.08. Temporary Certificates.

(a) Following the delivery and registration of the Initial Certificate and pending the preparation of definitive Certificates, the proper officers of the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Certificates that are printed, lithographed, typewritten, mimeographed, or otherwise produced, in any denomination, substantially of the tenor of the definitive Certificates in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions, and other variations as the officers of the City executing such temporary Certificates may determine, as evidenced by their signing of such temporary Certificates.

(b) Until exchanged for Certificates in definitive form, such Certificates in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Certificates in definitive form; thereupon, upon the presentation and surrender of the Certificate or Certificates in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Certificates in temporary form and shall authenticate and deliver in exchange therefor a Certificate or Certificates of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Certificate or Certificates in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Certificates.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Certificate, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Certificate of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Certificate to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Certificate is lost, apparently destroyed or wrongfully taken, the Paying Agent/ Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Certificate has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Certificate of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction, or theft of such Certificate;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar, and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Certificate, a bona fide purchaser of the original Certificate in lieu of which such replacement Certificate was issued presents for payment such original Certificate, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Certificate from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed, or wrongfully taken Certificate has become or is about to become due and payable, the Paying Agent/Registrar,

in its discretion, instead of issuing a replacement Certificate, may pay such Certificate when it becomes due and payable.

(e) Each replacement Certificate delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Certificate or Certificates in lieu of which such replacement Certificate is delivered.

ARTICLE IV

REDEMPTION OF CERTIFICATES BEFORE MATURITY

Section 4.01. Limitation on Redemption.

The Certificates shall be subject to redemption before scheduled maturity only as provided in this Article IV.

Section 4.02. Optional Redemption.

(b) If less than all of the Certificates are to be redeemed pursuant to an optional redemption, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Certificates, or portions thereof, within such maturity or maturities and in such principal amounts for redemption.

(c) The City, at least 45 days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Certificates to be redeemed.

Section 4.03. Mandatory Sinking Fund Redemption

November 1, 20__ (maturity)	_____

(b) At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Certificates equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Certificates for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.05.

(c) The principal amount of the Term Certificates required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the City, by the principal amount of any Term Certificates which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Certificates plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.04. Partial Redemption.

(a) A portion of a single Certificate of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. If such a Certificate is to be partially redeemed, the Paying Agent/Registrar shall treat each \$5,000 portion of the Certificate as though it were a single Certificate for purposes of selection for redemption.

(b) Upon surrender of any Certificate for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Certificate or Certificates in an aggregate principal amount equal to the unredeemed portion of the Certificate so surrendered, such exchange being without charge.

(c) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Certificate as to which only a portion thereof is to be redeemed.

Section 4.05. Notice of Redemption to Owners.

(a) The Paying Agent/Registrar shall give notice of any redemption of Certificates by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Certificate (or part thereof) to be redeemed, at the address shown on the Register at the close of business on the Business Day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Certificates are to be surrendered for payment, and, if less than all the Certificates outstanding are to be redeemed, an identification of the Certificates or portions thereof to be redeemed.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption.

(a) Before or on each redemption date, the City shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Certificates to be redeemed on such date by setting aside and holding in trust such amounts as are received by the Paying Agent/Registrar from the City and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Certificates being redeemed.

(b) Upon presentation and surrender of any Certificate called for redemption at the Designated Payment/Transfer Office of the Paying Agent/Registrar on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Certificate to the date of redemption from the money set aside for such purpose.

Section 4.07. Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.05 of this Ordinance, the Certificates or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the City defaults in its obligation to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Certificates or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Certificates are presented and surrendered for payment on such date.

(b) If the City shall fail to make provision for payment of all sums due on a redemption date, then any Certificate or portion thereof called for redemption shall continue to bear interest at the rate stated on the Certificate until due provision is made for the payment of same by the City.

Section 4.08. Conditional Notice of Redemption.

The City reserves the right to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying

Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

Section 4.09. Lapse of Payment.

Money set aside for the redemption of Certificates and remaining unclaimed by the Owners of such Certificates shall be subject to the provisions of Section 3.03(f) hereof.

(c) The definitive Certificates, if any, shall be typewritten, photocopied, printed, lithographed, or engraved, and may be produced by any combination of these methods or produced in any other similar manner, all as determined by the officers executing such Certificates, as evidenced by their execution thereof.

(d) The Initial Certificate submitted to the Attorney General of the State of Texas may be typewritten and photocopied or otherwise reproduced.

Agent/Registrar to the registered owner at the address shown on the registration books kept by the Paying Agent/Registrar or by such other customary banking arrangement acceptable to the Paying Agent/Registrar and the registered owner; provided, however, such registered owner shall bear all risk and expenses of such customary banking arrangement. At the option of an Owner of at least \$1,000,000 principal amount of the Certificates, interest may be paid by wire transfer to the bank account of such Owner on file with the Paying Agent/Registrar. For the purpose of the payment of interest on this Certificate, the registered owner shall be the person in whose name this Certificate is registered at the close of business on the "Record Date," which shall be the last business day of the month next preceding such interest payment date; provided, however, that in the event of nonpayment of interest on a scheduled payment date and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") shall be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which date shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each Owner of a Certificate appearing on the books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

If the date for the payment of the principal of or interest on this Certificate shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day that is not a Saturday, Sunday, legal holiday, or day on which banking institutions are required or authorized to close, and payment on such date shall have the same force and effect as if made on the original date payment was due and no additional interest shall be due by reason of nonpayment on the date on which such payment is otherwise stated to be due and payable.

This Certificate is dated May 6, 2013 and is one of a series of fully registered certificates specified in the title hereof issued in the aggregate principal amount of \$_____ (herein referred to as the "Certificates"), issued pursuant to a certain ordinance of the City (the "Ordinance") for the purpose of paying contractual obligations to be incurred for authorized public improvements (the "Project") as described in the Ordinance, and to pay the contractual obligations for professional services of attorneys, financial advisors and other professionals in connection with the Project and the issuance of the Certificates.

The Certificates and the interest thereon are payable from the levy of a direct and continuing ad valorem tax within the limits prescribed by law, against all taxable property in the City and from a pledge of certain Surplus Revenues (not to exceed \$1,000) of the City's waterworks and sewer system, all as described and provided for in the Ordinance.

The City has reserved the option to redeem the Certificates maturing on or after November 1, 2024 in whole or in part, before their respective scheduled maturity dates, on November 1, 2023 or any date thereafter at a price equal to the principal amount of the Certificates so called for redemption plus accrued interest to the date fixed for redemption. If less than all of the Certificates are to be redeemed, the City shall determine the maturity or

maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot or other customary method that results in a random selection the Certificates, or portions thereof, within such maturity and in such principal amounts, for redemption.

Certificates maturing on November 1, 20__ (the "Term Certificates") are subject to mandatory sinking fund redemption prior to their scheduled maturity, and will be redeemed by the City, in part at a redemption price equal to the principal amount thereof, without premium, plus interest accrued to the redemption date, on the dates and in the principal amounts shown in the following schedule:

Term Certificates Maturing November 1, 20__

<u>Redemption Date</u>	<u>Principal Amount</u>
November 1, 20__	
November 1, 20__	
November 1, 20__ (maturity)	

The Paying Agent/Registrar will select by lot or by any other customary method that results in a random selection the specific Term Certificates (or with respect to Term Certificates having a denomination in excess of \$5,000, each \$5,000 portion thereof) to be redeemed by mandatory redemption. The principal amount of Term Certificates required to be redeemed on any redemption date pursuant to the foregoing mandatory sinking fund redemption provisions hereof shall be reduced, at the option of the City, by the principal amount of any Term Certificates which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Certificates plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Notice of such redemption or redemptions shall be given by first class mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the registered owner of each of the Certificates to be redeemed in whole or in part. Notice having been so given, the Certificates or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice; from and after such date, notwithstanding that any of the Certificates or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Certificates or portions thereof shall cease to accrue.

The City reserves the right to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no

effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Certificates subject to conditional redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

As provided in the Ordinance, and subject to certain limitations therein set forth, this Certificate is transferable upon surrender of this City for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Certificates of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Certificate called for redemption where such redemption is scheduled to occur within 45 calendar days of the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Certificate.

The City, the Paying Agent/Registrar, and any other person may treat the person in whose name this Certificate is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Certificate is registered on the Record Date, or the Special Record Date, as applicable) and for all other purposes, whether or not this Certificate be overdue, and neither the City nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Certificate and the series of which it is a part is duly authorized by law; that all acts, conditions, and things to be done precedent to and in the issuance of the Certificates have been properly done and performed and have happened in regular and due time, form, and manner as required by law; that ad valorem taxes upon all taxable property in the City have been levied for and pledged to the payment of the debt service requirements of the Certificates within the limit prescribed by law; that, in addition to said taxes, further provisions have been made for the payment of the debt service requirements of the Certificates from a pledge of a limited amount of the Surplus Revenues, as described in the Ordinance, derived by the City from the operation of the waterworks and sewer system in an amount limited to \$1,000, that when so collected, such taxes and Surplus Revenues shall be appropriated to such purposes; and that the total indebtedness of the City, including the Certificates, does not exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, the City has caused this Certificate to be executed by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or facsimile signature of the City Secretary, and the official seal of the City has been duly impressed or placed in facsimile on this Certificate.

ARTICLE IX

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Certificates.

On or before each Interest Payment Date for the Certificates and while any of the Certificates are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay such interest on and principal of, redemption premium, if any, and interest on the Certificates as will accrue or mature on the applicable Interest Payment Date, maturity date and, if applicable, on a date of prior redemption.

Section 9.02. Other Representations and Covenants.

(a) The City will faithfully perform, at all times, any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance and in each Certificate; the City will promptly pay or cause to be paid the principal of, redemption premium, if any, and interest on each Certificate on the dates and at the places and manner prescribed in such Certificate; and the City will, at the times and in the manner prescribed by this Ordinance, deposit or cause to be deposited the amounts of money specified by this Ordinance.

(b) The City is duly authorized under the laws of the State of Texas to issue the Certificates; all action on its part for the creation and issuance of the Certificates has been duly

and effectively taken; and the Certificates in the hands of the Owners thereof are and will be valid and enforceable obligations of the City in accordance with their terms.

Section 9.03. Provisions Concerning Federal Income Tax Exclusion.

The City intends that the interest on the Certificates shall be excludable from gross income for federal income taxation pursuant to sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”) and the applicable regulations promulgated thereunder (the “Regulations”). The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Certificates to be includable in gross income, as defined in section 61 of the Code of the holders thereof for purposes of federal income taxation. In particular, the City covenants and agrees to comply with each requirement of Sections 9.03 through 9.10, inclusive; provided, however, that the City shall not be required to comply with any particular requirement of this Sections 9.03 through 9.10 of the holders thereof for purposes of federal income taxation, if the City has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Certificates or if the City has received a Counsel’s Opinion to the effect that compliance with some other requirement set forth in this Sections 9.03 through 9.10, inclusive, will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion shall constitute compliance with the corresponding requirement specified in Sections 9.03 through 9.10, inclusive.

Section 9.04. No Private Use or Payment and No Private Loan Financing.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, that the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations. The City covenants and agrees that it will make such use of the proceeds of the Certificates, including interest or other investment income derived from Certificate proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Certificates will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations.

Section 9.05. No Federal Guaranty.

The City covenants and agrees not to take any action, or knowingly omit to take any action, and has not knowingly omitted and will not knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Certificates to be “federally guaranteed” within the meaning of section 149(b) of the Code and the Regulations, except as permitted by section 149(b)(3) of the Code and the Regulations.

Section 9.06. Certificates are not Hedge Bonds.

The City covenants and agrees that it has not taken and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Certificates to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations.

Section 9.07. No-Arbitrage Covenant.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, the City will reasonably expect that the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Certificates, including interest or other investment income derived from Certificate proceeds, regulate investments of proceeds of the Certificates, and take such other and further action as may be required so that the Certificates will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations.

Section 9.08. Arbitrage Rebate.

If the City does not qualify for an exception to the requirements of Section 148(f) of the Code, the City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the “gross proceeds” of the Certificates (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Certificates as may be required to calculate the amount earned on the investment of the gross proceeds of the Certificates separately from records of amounts on deposit in the funds and accounts of the City allocable to other issues of the City or moneys which do not represent gross proceeds of any issues of the City, (ii) calculate at such times as are required by the Regulations the amount earned from the investment of the gross proceeds of the Certificates which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Certificates or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Certificates that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

Section 9.09. Information Reporting.

The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar
