Resolution 2024-053

Authorizing the Purchase of GapVax Vacuum Sewer Utility Truck

CITY COUNCIL MEETING | May 7, 2024

01

In 2014, Sewer Utility Truck was purchased for \$300,000.

02

In service as the only sewer utility truck for the last ten (10) years with \$200,000 in repairs and maintenance.

03

Staff came across a sewer utility truck ready for delivery by October 2024.

04

Better align Sewer Utility Department to avoid disruptions due to repairs.
