Promoter	10	The Library does a great job of giving information. I recently got a Library card after, many, many years. The staff was so helpful in walking me through the process and showing me around. Lovely to have great book, purchasing is no longer a possibility. Can't say enough about their various programs for all ages!	10/28/2025	76 - 85	75234

Promoter	10	LOVE using Libby and Hoopla for audio books. Really enjoy having the library order and hold new books that have just come out. Great convenient place to vote - I love everything about the library	10/24/2025	66 - 75	75234
Promoter	10	I love the discovery and steam kits! I have seen the name written on literature like in the mail, etc. but never realized what they were until I saw the notebook in person. I would love to be able to allow each of my children to check one out. Thank you for creating this program!	10/20/2025	25 - 35	75234
