Farmers Branch, Texas 75234

Dear Mrs. Connally and Members of the Farmers Branch Woman's Club:

Thank you so much for your generous donation of fountains to the rose garden in Gussie Field Watterworth Park. The sound of water adds a delightful new dimension to the garden. This gift will be enjoyed by both residents and visitors to the gardens for many years to come.

It was very enjoyable to share in your 50th Anniversary Celebration when the first fountain was gifted to the City and it's an honor to accept the donation of the additional three fountains. Your generosity has completed this portion of the renovations to the garden and for that the City of Farmers Branch is most grateful.

Sincerely,

William P. Glancy
Mayor
