Discuss Community Garden

Study Session Meeting | July 21, 2026

Requested By: City Council

Discuss Community Garden

Background

1

Council Identified the implementation of a community garden as a strategic need at the Strategic Planning session in February 2025 and later in 2026.

2

Initiative supports the Council's strategic objective of Connected Neighborhoods.

3

Multiple City Departments met to determine best way to proceed and integrate this objective as a part of the FY27 Budget process.

4

City staff will discuss key items regarding this request and received feedback from the Council.

Discuss Community Garden

Next Steps

Council feedback on implementation

Continue researching funding opportunities

Evaluate existing City properties for feasible locations

Work with staff to develop operational policies, procedures, and design layout
