

CITY OF FARMERS BRANCH PURCHASING RIDER

Vendor/Contractor: _____

Cooperative Purchase Entity and Contract Number: _____

By submitting a response to a solicitation or bid, or by entering into a contract for goods or services and/or by accepting a purchase order, the contractor, consultant or vendor agrees that the below terms and conditions shall govern all agreements with the City of Farmers Branch, Texas, unless otherwise agreed to by a written amendment separate from the contract or purchase order, provided same is permissible by law. Absent a specific amendment, the below terms are binding and supersede any and all other terms and/or conditions whether oral or written.

As used herein, "Vendor" means the contractor, supplier, licensor, seller, consultant or other party, by whatever description may be used, in its Contract with the City. The "Contract" is the agreement between the Vendor and the City, including all attachments, exhibits, appendices, addenda and other matters that are intended to be a part of the agreement between the parties.

Application. This Purchasing Rider ("Rider") supplements and amends the Contract between the parties and takes precedence over any conflicting provision in the Contract, including but not limited to provisions in or an attachment to the Response to Solicitation or Bid, Contract, Agreement, Quote, Invoice or Purchase Order, as applicable. Any general terms or conditions proposed by Vendor as a part of its agreement with the City are subordinate to the terms of this Rider where in conflict.

Payment Provisions. The City's payments under the Contract, including the time of payment and the payment of interest on overdue amounts, are subject to Chapter 2251, Texas Government Code. The City reserves the right to withhold all or part of any payment if a genuine dispute exists as to the goods or services for which the payment is

intended. The City will remit any undisputed portion, and the parties will exercise diligence to resolve the dispute. No invoice, quote or purchase order submitted by Vendor will modify any term of this Rider or the Contract.

Multiyear Contracts. If the City Council does not appropriate funds to make any payment for a fiscal year after the City's fiscal year in which the contract becomes effective, funds have not been appropriated, and there are no proceeds available for payment from the sale of bonds or other debt instruments, then the Contract automatically terminates at the beginning of the first day of the successive fiscal year. (Section 5, Article XI, Texas Constitution). It is understood and agreed the City shall have the right to terminate the Contract at the end of any City fiscal year if the governing body of the City does not appropriate funds sufficient to continue the contract, as determined by the City's budget for the fiscal year in question. The City may execute such termination by giving Vendor a written notice of termination at the end of its then current fiscal year.

Local Preference. The City Council supports the local preference option for purchasing. In accordance with Chapter 271.9051 of the State of Texas Local Government Code, the City Council may choose to award a competitive bid to a bidder whose principal place of business is in the City limits, provided that this bid is within 5% of the lowest bid price received, provided such action is not prohibited by law.

Abandonment or Default. A Vendor who abandons or defaults the work on the contract and causes the City to purchase goods, materials or services elsewhere may be charged for any increased cost of goods, materials and/or services related thereto; may be considered disqualified in

any re-advertisement of the service; and may not be considered in future bids for the same type of work for a period of three years for the same scope of work, goods or services.

Cancellation. the City reserves the right to cancel the contract without penalty based on the public convenience by providing 30 days prior written notice to the Vendor. Termination under this paragraph shall not relieve the Vendor of any obligation or liability that has occurred prior to cancellation, and the City shall pay Vendor for work performed or materials supplied up to the date of termination. If the City has prepaid, the Vendor shall refund the City's payment, prorated to the date of termination.

Compliance with other laws and certification of eligibility to contract. Any offer to contract with the City shall be considered an executed certification that the Vendor will comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, (as amended during the contracting period) and any orders and decrees of any court, administrative bodies or tribunals in any matter affecting the performance of the Contract, including without limitation, immigration laws, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, and licensing laws and regulations.

Liability Limitations. Any provision of the Contract is void and unenforceable if it: (1) limits or releases either party from liability that would exist by law in the absence of the provision; (2) creates liability for either party that would not exist by law in the absence of the provision; or (3) waives or limits either party's rights, defenses, remedies, or immunities that would exist by law in the absence of the provision.

Indemnity and Independent Vendor Status of Vendor. Vendor shall indemnify, hold harmless and defend the City, its officers, agents, and employees from and against any and all suits, actions, legal proceedings, claims, demands, damages, costs, expenses, attorney's fees and any and all other costs or fees arising out of the performance of the Contract and/or arising out of a willful or negligent act or omission of the Vendor, its officers, agents, and employees. It is understood and agreed that the Vendor and any employee or subcontractor of Vendor shall not be considered an employee of the City. The Vendor shall not be within protection or coverage of the City's workers' compensation insurance, health insurance, liability insurance or any other insurance that the City from time to time may have in force and effect. City specifically reserves the right to reject any and all Vendor's employees, representatives or sub-contractors and/or their employees for any cause, should the presence of any such person on City property or their interaction with City employees be found not in the best interest of the City or is found to interfere with the effective and efficient operation of the City's workplace.

Viruses and Malware. Vendor's indemnity obligations extend to its failure to implement and maintain reasonable

measures and precautions to protect the City and the City's facilities from data breaches and the introduction into the City's computer network of any programs, mechanisms, programming devices, malware or other computer code (i) designed to disrupt, disable, harm, or otherwise impede in any manner the operation of any software program or code, or any computer system or network (commonly referred to as "malware", "spyware", "viruses" or "worms"); (ii) that would disable or impair the operation thereof or of any software, computer system or network in any way based on the elapsing of a period of time or the advancement to a particular date or other numeral (referred to as "time bombs", "time locks", or "drop dead" devices); (iii) is designed to or could reasonably be used to permit a party or any third party to access any computer system or network (referred to as "trojans", "traps", "access codes" or "trap door" devices); or (iv) is designed to or could reasonably be used to permit a party or any third party to track, monitor or otherwise report the operation and use of any software program or any computer system or network by the other party or any of its customers. The Vendor will hold harmless, indemnify and defend the City from and against data breaches and malware, ransomware, viruses or other electronic software, routines, programs, codes or devices that may damage or impair the City's computer facilities arising from the Vendor's performance under this Agreement.

Confidentiality. Any provision in the Contract that attempts to prevent the City's disclosure of information that is subject to public disclosure under federal or Texas law is invalid.

Tax Exemption. The City is not liable to Vendor for any federal, state, or local taxes for which the City is not liable by law, including state and local sales and use taxes and federal excise tax. Accordingly, those taxes may not be added to any item. Texas limited sales tax exemption certificates will be furnished upon request.

Sovereign Immunity. Any provision of the Contract that seeks to waive the City's immunity from suit and/or liability is void unless agreed to by specific acknowledgement of the provision within the contract.

Governing Law and Venue. Texas law governs this Contract and any suit on this Contract must be filed in a court of proper jurisdiction in Dallas County, Texas.
