Rawhide Trail Phase 3

City Council Meeting | June 2, 2026

Requested By: Parks and Recreation Department

Rawhide Trail Project

Background: Phases 1 and 2

- 1** Completed in 2024 and 2025
- 2** North side of trail from Webb Chapel Road to Tom Field Road
- 3** Widened trail from 8' to 12' and moved a section out of a flood-prone area
- 4** Added solar lighting along the trail

Rawhide Trail Project

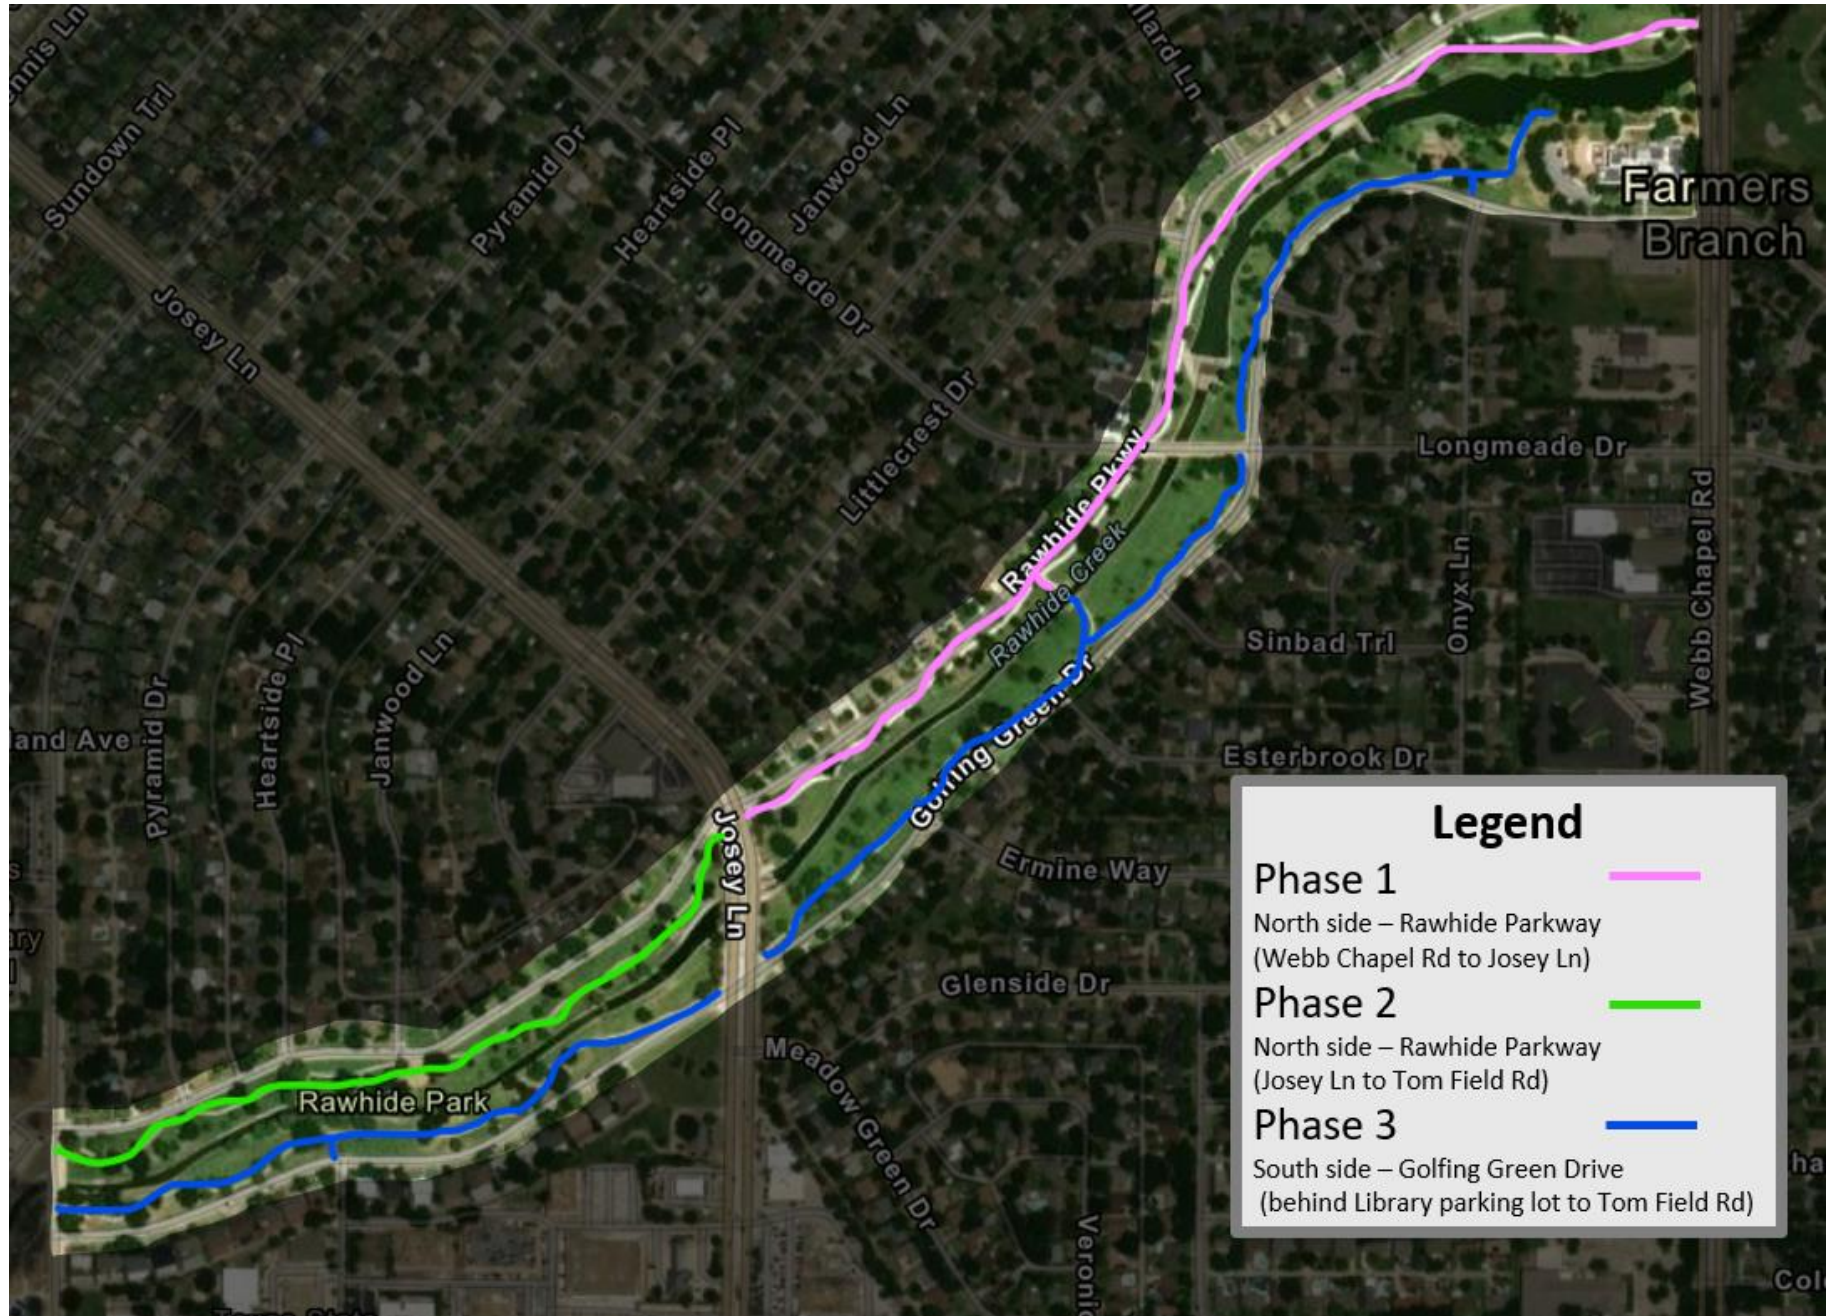

Phase 3 Highlights

- 1** South side of trail along Golfing Green Drive near the Manske Library main parking lot to Tom Field Road
- 2** Widened trail from 8' to 12'
- 3** Two new sidewalk connections for enhanced trail access
- 4** Add solar lighting along the trail

Rawhide Trail Project

Map and Overview

The Rawhide Trail project is being completed in phases. Phases 1 and 2 focused on improvements and adding solar lighting along the north side of the trail, adjacent to Rawhide Parkway. Phase 3 will address the south side, running along Golfing Green Drive. Solar lighting will also be included in Phase 3.
