

SUMMARY MEMORANDUM

TO: Mayor and City Council

FROM: Gary D. Greer
City Manager

DATE: October 6, 2014

SUBJECT: Citizen concerns and potential solutions relating to the LBJ expansion project.

Michael and Vickie Harrison reside at 3706 Ridgeoak Way, which backs up to LBJ, just east of Marsh Lane. For several years the Harrison's have spoken to Council, TxDOT and related project affiliates regarding their concerns relating to the LBJ expansion project. Recently, City Administration was asked to meet with the Harrison's and get a list of their specific concerns, determine what it would take to remedy the situation, and provide cost estimates for each.

On September 25, 2014, City Administration, along with Mayor Phelps, met with the Harrison's to certify their list of concerns, review the suggested solutions and related funding. The estimated cost to address the concerns totals \$65,000 and would be funded from the street maintenance budget, which has approximately \$900,000. If approved, this would reduce the amount of funds available for concrete repairs by approximately \$65,000.

POSSIBLE COUNCIL ACTIONS:

- 1) I move to approve the outlined solutions and related funding.
- 2) I move to approve the outlined solutions and related funding, with modifications.
- 3) I move to table the issue for further study or take no action.
