Council Liaisons Discussion

Metrocrest Services

- Metrocrest Social Service assists families, individuals, and senior adults who are coping with crisis situations, need help stabilizing their lives, or require support to live independently.
- The Council liaison will support Metrocrest Services by attending meetings, reporting needs or concerns to the City Council, and by staying up to date with events or opportunities for support.

Council Liaison Vacancies

Sister City Program

- The Sister City Program is an opportunity for the City to advance cultural integration by working with a “Sister City” from around the globe to stimulate learning opportunities for citizens and elected officials.
- Council direction is needed to determine if the City will continue with this program, if any changes to the program are needed, and will determine the Council liaison if the program will continue in existence.
