

INFORMATION MEMORANDUM

TO: Mayor and City Council

FROM: Gary D. Greer
City Manager

DATE: May 5, 2015

SUBJECT: Purchase of Replacement Street Sweeper

The FY 2014-15 Fixed Asset Fund for vehicle/equipment replacement includes the replacement of one street sweeper for the Public Works Department. The vehicle being replaced meets the recommended replacement criteria based on life cycle costs, age, and utilization and supports the Infrastructure and Assets Guiding Principle.

The street sweeper replacement is being funded out of the Storm Water Fund and will be used on a continual basis to support the Storm Water Program. The quotation came in \$16,247 over budget due to increased tier 4 emissions standard costs.

Possible Council Action:

1. I move to approve Resolution No. 2015-045 authorizing the purchase of one replacement street sweeper for the Public Works Department from Kinloch Equipment and Supply through the Houston Galveston Area Cooperative.
2. I move to approve Resolution No. 2015-045 authorizing the purchase of one replacement street sweeper for the Public Works Department from Kinloch Equipment and Supply through the Houston Galveston Area Cooperative, with modifications.
