Dear Dr. Garver,

Thank you so much for your generous donation of seven (7) stainless steel animal cages to the City of Farmers Branch Animal Adoption Center. Your donation will help provide quality care for our animals. We also want to acknowledge and thank you for your many years of dedicated service to the residents and pets in New Jersey.

As you have probably seen from your recent visit to our Animal Adoption Center, providing excellent care and finding homes for our homeless pets is a top priority and your generous donation helps us in reaching our goals. Thank you and best wishes from all of us in the City of Farmers Branch.

Sincerely,

William P. Glancy, Mayor
City of Farmers Branch, Texas
