

# INFORMATION MEMORANDUM

TO: Mayor and City Council

FROM: Gary D. Greer  
City Manager

DATE: June 16, 2015

SUBJECT: Mallon Park and Winn Park Lake Dredging

---

The City Council adopted Ordinance No. 3299 in September 2014 establishing a Municipal Drainage Utility System, which establishes drainage fees that help support the operations of the City's drainage utility system.

The 2014-2015 Stormwater Utility Fund includes funding for Mallon Park and Winn Park Lake dredging. The scope of this project is to dredge and restore both lakes. These ponds were last dredged in 1993 for Winn Park and 2005 for Mallon Park.

Only one bid was received and opened on May 28, 2015 from Shirley and Sons Construction Company in the amount of \$581,260. The base bid (\$556,510) included dredging both Mallon and Winn Parks. The recommended award includes the alternate bid of \$24,750 for removal of accumulated soil on the banks of both projects. The re-graded areas will be sodded upon completion. Shirley and Sons Construction have provided adequate references for similar projects.

City Administration recommends the awarding the bid to Shirley and Sons Construction Company in the amount of \$581,260.

Possible Council Action:

1. I move to approve Resolution No. 2015-055 awarding a contract with Shirley and Sons Construction Company for the Mallon Park and Winn Park Lake Dredging project.

2. I move to approve Resolution No. 2015-055 awarding a contract with Shirley and Sons Construction Company for the Mallon Park and Winn Park Lake Dredging project, with modifications.
3. I move to table the item or take no action.
