

# **Sustainability Committee Draft Mission & Vision Statement**

## **Mission:**

To promote sustainable practices and policies regarding all future growth, development, programming and events of Farmers Branch, with the City, Boards and Commissions, and residents to ensure long-term support of the people, planet and prosperity of our community.

## **Vision:**

To provide advice, guidance, resources and support to the City, other Boards and Commissions and the residents of Farmers Branch, that focus on sustainability and the good stewardship of our shared natural and economic resources.
