

# Council Study Session

## On Premise Alcohol

March 2017

# On Premise Alcohol

## Part 1 - Completed

- Amended CZO that regulates “Qualifying Restaurants”
- 50 (food) : 50 (beverage) allowed by right City-Wide

# On Premise Alcohol Overlays

## Part 2 – IN PROGRESS

- Recommending Two “Pub” Overlays
  1. Station Area
  2. Boardwalk
- Essentially these areas would become the City’s “Entertainment Districts”
- Anything less than the current 50 (food) : 50 (beverage) qualifying restaurant ratio
- For example, in these overlays a pub would be allowed that sold little or no food
