&
July

**Council
Reviews
Projects**

The City Team

Economic Development

Economic Development helps form partnerships and will work to find a win-win solution for project applications.

Public Works

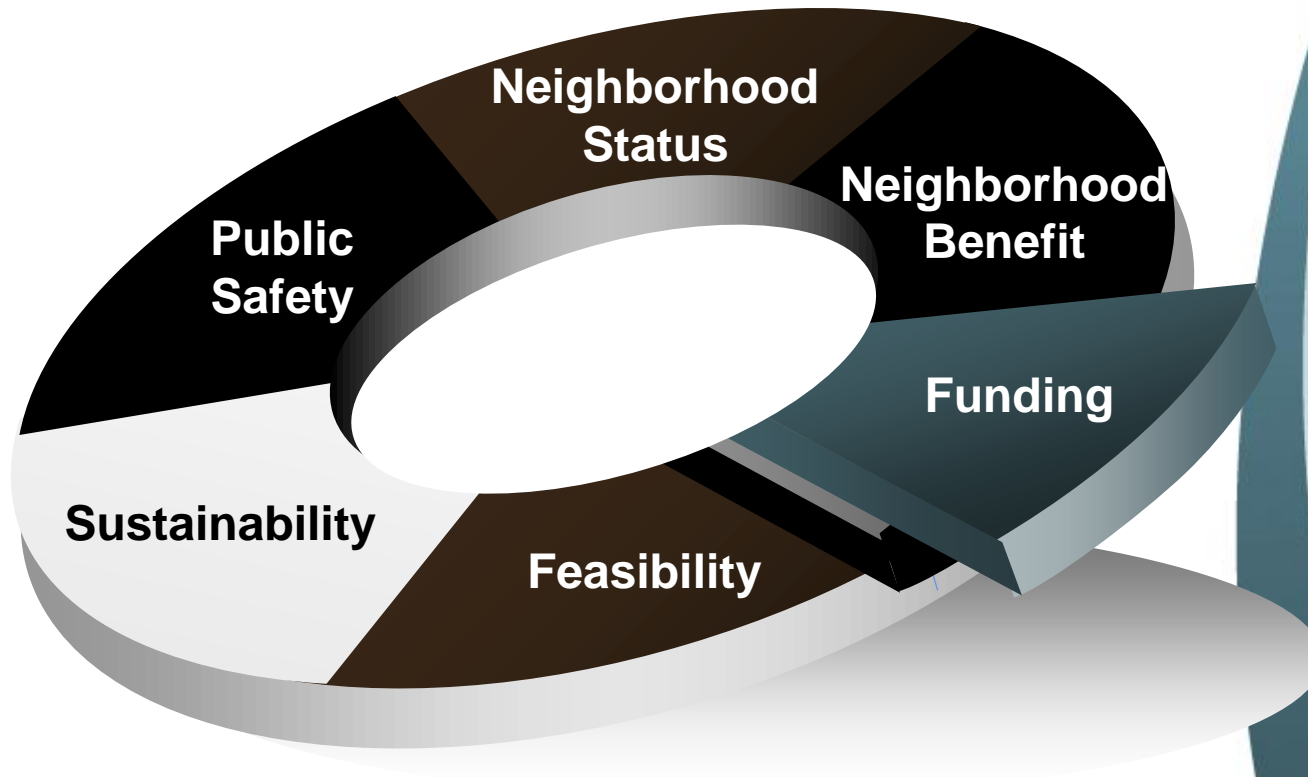

Public Works looks at if the project is possible and can provide subject matter expertise.

Planning

Planning looks at the overall vision for the project. Does it align with where FB is going as a City and as a community

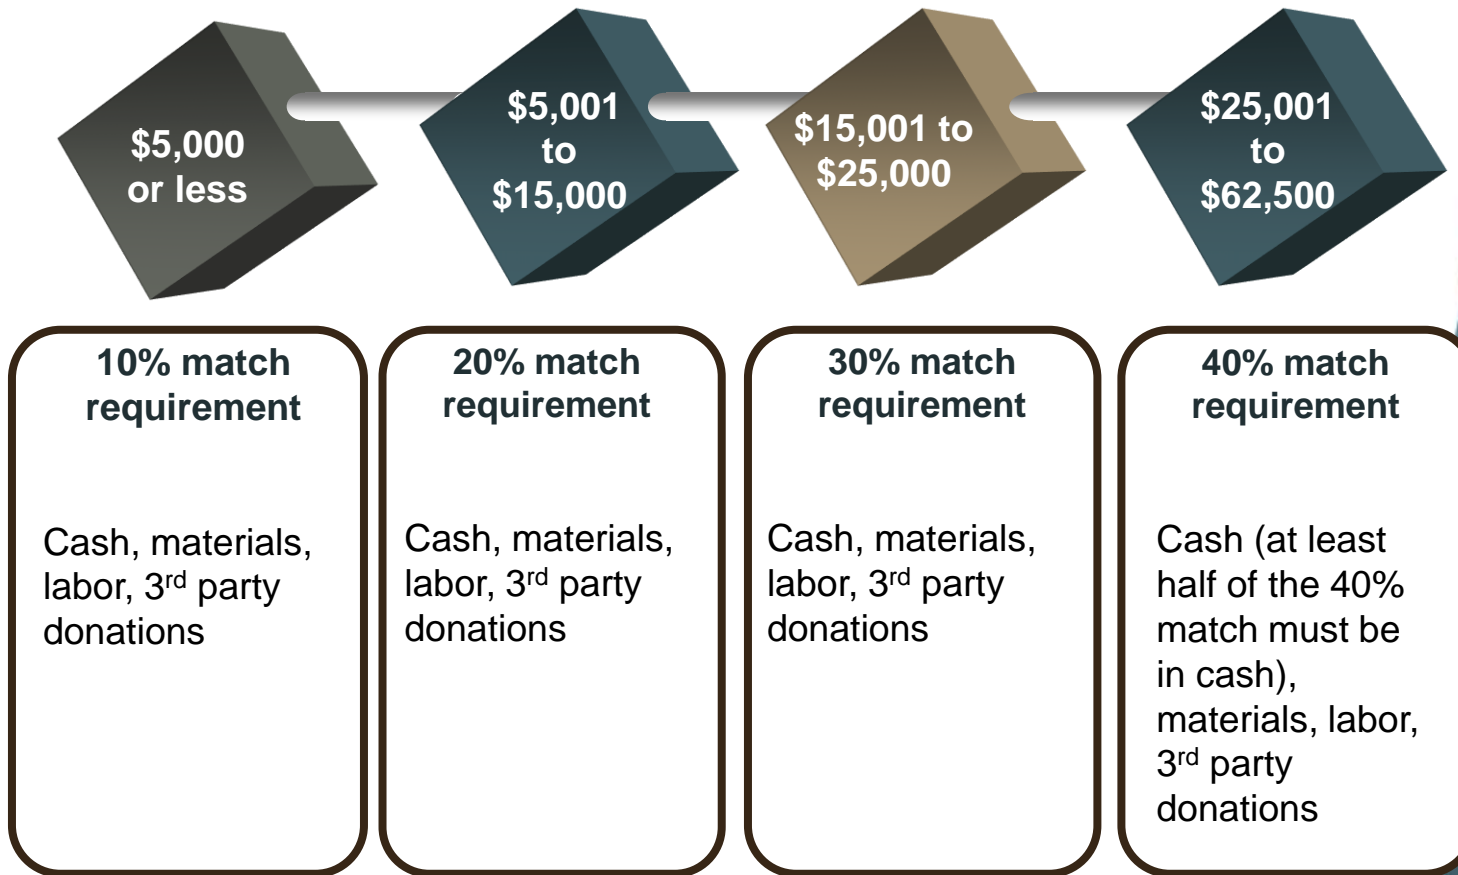

Project Evaluation

How do you determine which projects will be supported?

Financial Support*

Maximum City exposure for any project is \$50,000.

***Pending funding availability**

**Application
Process**
