Woven Health Clinic

The Branding Journey – Name Change

Why?

- **Patient confusion** with other Entities with similar
- **Missing out on donations**
- Realization that we are a **hidden asset** in the community
- **Lack of uniqueness** started the Journey
- **Align who we are today with where we going in the next 25 years**

WOVEN HEALTH CLINIC
integrated community healthcare

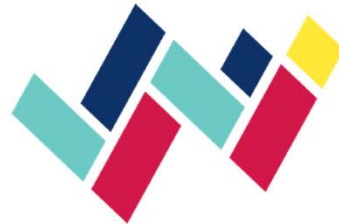

Why Woven Health?

- The Clinic is weaving together comprehensive, prevention focused health care, both physical and mental, to treat the entire person
- The Clinic is woven into the fabric of the communities it serves
- The Clinic which started as On Eagles Wings, is soaring higher than ever delivering Integrated Community Health Care to those that desperately need it

Celebrating the First 25 years
Looking Forward to the Next 25 Years
