Dear Ms. Parr-Batts:

On behalf of the entire Farmers Branch City Council and residents of Farmers Branch, I want to thank your family for the generous donation of \$1,100.00.

These funds will be used to purchase and install a 'City in the Park' bench in Rawhide Park near the playground. What a wonderful way to honor your parents, Tom and Dorothy Sultzbaugh.

Once again, the Council and I thank you.

Sincerely,

Robert C. Dye, Mayor
