respective tax year. Property Owner shall submit a Payment Request to City on or before April 1st of each calendar year for the applicable Annual Incentive. For example, assume for illustration purposes only that a Project was approved by City in 2018 making 2018 the Base Year. Further assume that (i) City taxes assessed and paid for the Residence (improvements excluding the Land) for 2018 was \$1,000 and (ii) the Approved Project was completed June 1, 2019, then the Commencement Date would be June 1, 2019. Further assume that City taxes assessed and paid for tax year 2020 is \$2,000. Then the first Annual Incentive would be for the difference in City taxes assessed on the New Residence for tax year 2020 in the amount of \$2,000 and the amount of City taxes assessed for the Base Year (2018) of \$1,000 resulting in an Annual Incentive of \$1,000, which would be paid not later than the thirtieth (30) day after City receipt of the applicable Payment Request following April 1, 2021 provided Property Owner submitted a Payment Request on or before April 1, 2021, which included a tax receipt showing that the ad valorem taxes assessed against the Land and the New Residence for tax year 2020 have been paid in full.

3.2 Current Revenue. The Annual Incentives made hereunder shall be paid solely from lawfully available funds that have been appropriated by City. Under no circumstances shall City's obligations hereunder be deemed to create any debt within the meaning of any constitutional or statutory provision. None of City's obligations under this Agreement shall be pledged or otherwise encumbered in favor of any commercial lender and/or similar financial institution or other party.

3.3 Payment of Demolition Grant. City agrees to pay the Demolition Grant to Contractor in the amount of Twenty Thousand and No/100 Dollars (\$20,000.00) in two equal installments of \$10,000.00 each as follows:

- (a) With respect to the first installment, not later than thirty (30) days after City's receipt of a Payment Request from Contractor, but in no case earlier than thirty (30) days after completion of demolition of the Residence and removal of all debris from the Land; and
- (b) With respect to the second installment, not later than thirty (30) days after City's receipt of a Payment Request from Contractor, but in no case earlier than the thirtieth (30th) day after Completion of Construction of the New Residence.

City's obligation to pay the Demolition Grant, or any installment thereof, shall terminate if Completion of Construction of the New Residence does not occur on or before the second (2nd) anniversary of the Effective Date.

Resolution No. 2018-073

Exhibit "A"
