ATHLETIC FIELD LIGHTING

- **City's athletic field light poles are in excess of 30 years old.**
- **21 of 107 poles were identified by an engineer in 2014 as having a service life of five years or less with the remainder having a service life of five to fifteen.**
- **2018-19 Project:**
 - Oran Good Sports Complex - Field 5 and 2 additional poles
 - Oran Good Roller Hockey Rink
 - Temple Trails Tennis Courts
 - Kerr Park Tennis Court
 - Farmers Branch Park - 1 pole
- **The 2018-19 project will complete the replacement of the 21 critical poles.**
- **2030 is the projected completion date for the entire project.**

Compare and Contrast

KW / Hour on Existing Fields

- Oran Good 5 - 54,000 KW
- Oran Good Roller Hockey – 8,560 KW
- Temple Trails Tennis Court – 8,560 KW
- Kerr Tennis Court – 4,260 KW

KW / Hour on LED Lighted Fields

- Oran Good 5 - 21,100 KW = 40% savings
- Oran Good Roller Hockey – 4,560 KW = 54% savings
- Temple Trails Tennis Court – 4,560 KW = 54% savings
- Kerr Tennis Court – 2,280 KW = 54% savings
