Hazardous Waste Collection
November

Building a Pollinator Garden Collaboration of C of FB, KFBB and CFBISD - March

Certificate of Appreciation

Monarch Waystations provide milkweeds, nectar plants, and shelter for monarchs throughout their annual cycle of reproduction and migration.

In appreciation for efforts on behalf of monarchs,
Monarch Watch awards this certificate to

City of Farmers Branch

for the creation and maintenance of Monarch Waystation number

23256

Creating and maintaining a Monarch Waystation contributes to monarch conservation and helps to assure the continuation of the monarch migration in North America.

CREATE, CONSERVE, & PROTECT MONARCH HABITATS

Partnering with CFBISD Administrators and Educators

Is there an opportunity to recycle milk and juice cartons?

Our students will learn how plastic is polluting our oceans and damaging the waters that flow back to us through our rivers and tributaries.

The students will learn about composting and naturalist gardening from the city's own Pam Smith.

We want to partner to learn about Waste in Place, an arm of Keep America Beautiful!

Hazardous waste collection contest!
