Receive an update on the Mayor's Smart City Project

BACKGROUND:
Building on the presentation to the City Council during the February 20th, 2018 Study Session, this item will provide an update on the Mayor's Smart City Project and set the stage to authorize the City Manager to begin entering into contracts to move the project forward.

DISCUSSION:
The Mayor will cover many facets of the program including:
Anticipated cost - well within budget tolerance
Project timeline - where we are now when the project will be live
Remaining steps that need to be taken
Provide greater clarification about the project and its impact to Farmers Branch
Update on the project's budget
