BACKGROUND:

The 2012-2013 Capital Improvement Program, Non-Bond Fund, Non-Bond Utility Fund, and the Public Works Operating Budget funds provide for the reconstruction of the street and sidewalks of Goodwater Street from Richland Avenue to the northern end with sidewalk access to Squire Park. Within the project scope existing street, sidewalks, drive approaches, and a sanitary sewer line will be removed and replaced along with new handicap accessible ramps at the street intersections. The Capital Improvement Program Non-Bond revenues are from the Community Development Block Grant Program, a federal program administered through Dallas County in an amount of \$85,522. The Non-Bond Utility Fund allows for \$15,010 for the sanitary sewer replacement and the remaining \$22,405.50 will come from the Street Division’s operating budget. These three funding sources total \$122,937.50.
