### Discuss agenda items for future Sustainability Committee meetings

#### **BACKGROUND:**

Committee members can recommend topics that they would like discussed at future meetings.

Topics that have previously been mentioned include:

- Rewilding landscapes (grow zones, wildflower/pollinator gardens)
- Zoning and attainable housing
- Updates on the draft tree preservation ordinance
- Committee recommendation on the landscape ordinance amendments
- Expansion of composting opportunities to increase landfill diversion
- Low cost solutions to prevent stormwater runoff
- Traffic signal timing
- Update on sustainability initiatives from Dallas College
- Water pipe replacements
- Evaluation of subcommittees
