Legislation Text

File #: 24-292, Version: 1

Discuss Joya Park's current initiatives and proposed improvements related to fencing, lighting, security cameras, and shade covers.

BACKGROUND:

Joya Park opened on January 20, 2024, to overwhelming success. Since the opening, staff have had to address issues like overcrowding, traffic flow, and the safety of the area and equipment, as well as manage the area in the best interest of the neighborhood and the City. The Park was not only a draw locally but regionally, impacting parks and recreation operations and public safety. Following the City Management guidance and direction, staff has implemented initiatives addressing resident and neighborhood concerns.

DISCUSSION:

This Study Session will update the City Council on the initiatives currently in place and review some proposed further improvements to Joya and the Justice Center utilizing ARPA funds.

Staff will be present to answer any questions.

DISTRICT:

Districts 1 and 2
