Receive a report regarding projects currently under construction and/or submitted for permit review.

BACKGROUND:
At their meeting on March 26, 2018, the Planning and Zoning Commission expressed interest in receiving an update regarding the status of projects currently under construction and/or that may have been submitted for permit review.

The attached report includes projects that have been submitted for permit review and/or that are under construction. This report is prepared by the Fire Prevention Division and is generated quarterly. There may be projects on this list that did not require action by the Planning and Zoning Commission.

This item was originally scheduled for consideration by the Planning and Zoning Commission on April 23, 2018.

ACTIONS:
No action required.
