### **Proclamation recognizing May as Older Americans Month in Farmers Branch.**

May is nationally recognized as Older Americans Month. This year's theme is "Age Out Loud." The Senior Advisory Board and City Administration request that the City Council proclaim May as Older Americans Month in Farmers Branch, which will enhance public awareness of popular endeavors senior citizens can pursue to fulfill their leisure and volunteer interests.

Some of the popular activities offered during the month of May at the Senior Center include, Monday Night Dances, day trips that include dining out and plays, a Texas Hold'em Tournament, and volunteer opportunities at Fishin' Fun.

Farmers Branch seniors are a vibrant and active group who are involved in community functions and who help make Farmers Branch the outstanding City that it is.

Senior Advisory Board Chairman, Matt Rice is in attendance with other Board members to represent Farmers Branch senior citizens, so let's "Age Out Loud!"
