Discuss the Library Board list of applicants.

BACKGROUND:

During the June 23, 2017 City Council retreat, the City Council conducted group exercises to narrow the scope of applicants and create a slate list.

Council Member Norwood has requested a Study Session item to discuss and review the Library Board slate list. One applicant (Donna Lawless) has changed her original request to serve on Community Watch and now wishes to serve on the Library Board.

City Council may wish to review the list of applicants and make this or any other necessary changes to Board appointments.

DISCUSSION:

The City Council may wish to review and/or amend the slate list of applicants.
