### **Receive a presentation on Fire Station No. 2 Conceptual Design.**

#### BACKGROUND:

After working with the Fire Department Fire Station design committee, conducting two community meetings, and after hearing the input of City Council at the May 1, 2018 City Council Study Session, PGAL Architects will present the Fire Station No. 2 conceptual design to the Council and community.

#### DISCUSSION:

During the Study Session PGAL will provide a brief overview of the project, site plan, floor plan and elevations for the project. PGAL will then provide a virtual tour of the Fire Station utilizing their REVIT design software and VR technology.
