Receive an update regarding the Planning and Zoning Commission tri-annual update presentation to City Council on January 22, 2019.

BACKGROUND:

At the City Council study session meeting on January 22, 2019, Planning and Zoning Commission Chairman David Moore presented the Commission's tri-annual update presentation. Overall the presentation was well received by the Council.

City Council concurred with the items presented as part of the Commission's 2018-19 work plan (see attachment) which aligns with Council's strategic initiatives and critical business outcomes for FY2018-19.

Other items discussed included:

- Opportunities for increased landscaping along highway corridors and TxDOT's Green Ribbon Program; and
- Stormwater run-off concerns associated with development particularly on the city's east side, and if zoning can assist with improving stormwater run-off conditions.

ACTIONS:

No action required at this time.
