BACKGROUND:

In an effort to improve the quality of housing opportunities in Farmers Branch, the City Council enacted a Residential Demolition/Rebuild Program pursuant to Chapter 380 of the Texas Local Government Code to encourage the redevelopment of existing single-family detached residential properties with the construction of new, higher value, single-family detached residential structures.

DISCUSSION:

Applicants Tim Permenter and Kelly Haggard are applying for the Demo Rebuild incentive for an existing residence located at 14306 Juniper Cove which has an improved valuation (excluding the land value) of \$148,230. The incentive for this range (\$100,001 - \$150,000) includes a five (5) year rebate of municipal taxes based on the difference between the original home appraised value (excluding the land value), as determined by the Dallas County Appraisal District and a \$10,000 cash grant. Staff recommends approval of project.
